What is .diz? .diz files are just regular text files, you can open in your favorite text editor. The extension .diz is used to enable you to put the whole product instantly in a blog tool. This way you do not need to fear, that these lists/descriptions (=not-attraction-content) are published on your site. The blogging tool should only process .txt-files. Therefore .txt is used only for publishable attraction content, but not for internal information. It is just used to make your life easier. Buy 25 attraction PLR articles, #4 now!
