Youtube + Ringtones = Huge profits The step by step guide I am going to go straight into what this technique is. I am also going to explain how to tag your videos properly so you will get maximum views to your video after the step by step instructions. That is a VITAL step in this process. Getting exposure to these videos, on to it then Introduction to the method What we are doing is combining the most popular videos on youtube, with ringtone cpa offers. We are essentially just placing a link in a youtube video that redirects to a Cost per action(CPA). What this means is simple. For you to get a commission, all that has to happen is the visitor has to get a FREE ringtone sent to their mobile phone. They will definitely be susceptible to this if they are a fan of the artist they are visiting. I have a CPA offer that is \$9 a download. So, you can see the potential of this method. Tags: cpa
