Finally! A Simple And Complete Road Map To Long Term Affiliate Success Discover The Simple, Proven And Effective Methods To Becoming A Successful Affiliate ... That Actually Work! WARNING: The following letter is NOT for everyone, it is only for those individuals that are serious about becoming a successful affiliate for the long run! Becoming an affiliate is supposed to be the absolute easiest and effortless way to start making money on the internet so why do so many affiliates fail miserably without even making a single sale for the products they are promoting? Simply, they don't have a clear, realistic and highly profitable compass and road map to long term affiliate success! So if you want to start making money as an affiliate, you've come to the right place because you are about to get a complete and simple road map to affiliate success From: Timm Miller Dear Friend, One of the absolute fastest ways to start making money on the internet is by becoming an affiliate and promoting someone else's product. With affiliate programs, you don't need to spend months of painstaking research, hard work and money just to create your own product. All you do is simply choose a product that is a hot seller, sign up as an affiliate and start promoting sounds simple enough! And it is, but there is one small problem The problem is that most affiliates don't have a plan for success for the long term . Most people that become an affiliate simply sign up and start promoting the product they want using Pay Per Click advertising (which is great) but constantly eats away at your profits and is NOT a great way to become a successful affiliate for the long run. Affiliate programs are a beautiful thing and a great way to start making money online ASAP. But the real key to long term affiliate success is to start thinking straight about it right from the start! Wouldn't it be great to Have a simple yet extremely effective network of websites that promote affiliate programs like crazy and earn you a great big paycheck full of affiliate commissions every month! Have a whole easy to run, simple system where you can simply plug in new products that you want to promote without worrying where the traffic and sales are going to come from, because THIS system will almost completely take care of the promoting for you. Not have to worry about money and hustle from affiliate paycheck to paycheck , not knowing how much you are going to make next month (this is a huge problem most affiliates face, but it doesn't have to be) The things above are what most affiliates only dream of, but not

you! You are about to find out everything you need to know to be well on your way to long term affiliate success once you get your hands on The Affiliate Compass Finding Your Way To Success Here is just a small sample of some of the things you will learn in the Affiliate Compass: Exactly what you need in order to get on the fast, exciting and extremely profitable road to affiliate success once and for all! The best places to get your reliable web hosting and domain names for your network of affiliate promoting websites (you'll need this to get online and get started on the road to long term affiliate success) Exactly what your affiliate promotion website should look like and where to go to get cheap, high quality graphics and web design (your website should look simple and easy on the eyes that's great because it's both cheap and effective!) The absolute easiest, simplest and yet one of the most effective and profitable ways to get started on becoming a successful affiliate! (you won't believe how simple and easy this is you can be up and running in under an hour!) Exactly how you can use Blogging to drive massive traffic to the websites you are promoting PLUS what Blog and Ping service to use and how to make sure your Blog keeps people coming back for more. The easy and incredibly simple way to choose a profitable topic or niche for your first affiliate promoting website (in order to increase your profit potential, you must make sure your site is targeted to a certain topic the more targeted it is, the more profitable it will be!) Exactly how and where to find great content for your website if you don't feel like spending hours creating it yourself (this is a great shortcut that will enable you to focus more on making huge sums of money rather than writing articles :) All the things you should watch out for when buying content for your website to make sure you get the best content available and your money's worth. A simple guide to Search Engine Optimization, which is an awesome and very cheap way to get free and extremely targeted search engine traffic that will generate sales! Exactly how you can make your websites extremely easy to edit and link with other websites you own or with link partners (editing websites is a pain in the butt, this simple method will save you hours!) A simple way to save huge amounts of money when making new websites (with this simple method, you'll be able to make as many extra websites as you like without spending more money) Simple and easy ways to pump your website full of traffic, and exactly where to submit your site in order to drive a great wave of traffic to the affiliate websites you are promoting. Things you must watch out for in order to avoid becoming another affiliate that fell short of success. Exactly how to use forums and press releases to generate extra traffic to your website (these are great and easy ways to quickly generate a nice surge of traffic and get extra sales) And much, much more! All new and updated! NOTE: The above
