----- For PC's Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. Video License (ps: Full 100 Resale Rights) You can: 1) Sell the videos at any price you want 2) Use it as a lead generator product for your ezine or newsletter 3) Include it into your membership site 4) Give it away as a bonus 5) Give it away for free if you wish Restrictions: 1) You cannot edit the videos in any way 2) You cannot claim that you are the creator of the videos 3) You cannot grant customization of the ebook to others You are allowed to upload the videos to your own server to give streaming access to your members or subscribers. By default, when you purchase the videos, you will be given a an ebook in exe. format. In these two ebooks, there will be links to the download page of the videos. The videos can either be downloaded or watched via streaming on my dedicated server. Therefore, for those who are concern about web space and bandwidth, distributing your own customized ebooks would be a better choice. Frequently Asked Questions Q1) Do we get free lifetime updates/upgrades? Ans: Yes. Q2) How can we distribute the videos? Ans: i) You can distribute the ebooks supplied by us to your customers. They will watch the videos via streaming or download them from my dedicated server ii) You can upload the videos to your own server if you wish. Q3) What's the advantage of distributing only the ebooks? Ans: You will not need to worry about web space and bandwidth. Everything will be hosted on my server. You'll only need to distribute the ebooks, which are

very low in size. Secondly, you will be able to earn from your customized affiliate links if you purchase the customization (details can be found inside the ebook). Q4) Is the product compatible with Macintosh computers? Ans: Unfortunately no. The ebook will be supplied in exe. format, which is only compatible with Windows. Also, the videos are created in Flash format (swf.) Most computers have this application installed by default. If not, users just need to install a small flash application on their computer (we will supply the download link) in order to view the videos.
