Introduction by Author -By Tiffany Taylor ( 1st+11nd edition) Language: English "How To Approach Any Woman, Anywhere And Know Exactly What To Say To Get Her To Give You Her Number And Go On A Date With You - NOW" Women have tried to have my guide BANNED... As of today, I'm not sure how much longer I will be able to sell it... Why? Because they don't want YOU to have the power of sexual selection they have gained over the past 20 years or so since women's earning power increased and their reliance on a male "provider" disappeared... And I have to say... I'm not too sure how long I will be able to keep selling it... Because of the pressure certain influential women have put on my publisher's company... And I have to be honest with you... I've sold many thousands of copies of my books (20,440 copies at last count) and it's made me richer than I ever expected... I don't say this to brag, I say it to let you know, I'll FIGHT to keep selling my books as long as there are GOOD guys out there who need my help... But I've made my money, and my health matters more to me than money right now. But I have MADE a PROMISE... I WILL continue selling my guide for as long as possible, even though it's becoming a daily struggle. Here's my promise... I PROMISE TO CONTINUE SELLING MY GUIDE FOR AT LEAST THE NEXT 24 HOURS... After that, I cannot promise anything I don't HATE women, I AM one... But I want YOU to realize that finally, men like you ARE able to pick and choose your women once again... If you know the mental triggers you need to know to fire genuine feelings of attraction in the opposite sex. This is what they want to stop me from showing you.
