Secret Height Manual gets you 2-3 inches taller within 7 weeks "Top Secret Russian Sports Authority 'Natural Height Growing' Manual Brought to the Western World" Get the Truth and the Facts on Growing Taller Naturally Dear Friend, Remember back to when the Russians were Communists and part of the "Evil Empire", the Soviet Union? Remember how they COMPLETELY DOMINATED the Olympics and won more medals than everyone else? How did they do that? What you didnt see was the behind the scenes research they put into their training, methodology, and dieting for those athletes? NO expenses were spared. They literally spent billions of dollars developing and researching every little secret way they can get an advantage over American and Western athletes? HEIGHT SUPERIORITY RESEARCH The simple reason why they focused so much money and energy into developing Superior Olympic athletes was for PURE PROPAGANDA reasons. If they could show the rest of the world they were superior, they would be proving that the Communist System was superior. This in turn would help them recruit Third World nations to their side against The West. So back to their research. The Russians were literally researching everything known to man to develop superior athletes. One of the things they researched extensively and poured Hundreds of Millions of Dollars in what was known as "Height Superiority" research. Taller athletes arent necessarily superior to shorter athletes, but all things being equal, HEIGHT GIVES YOU AN ADVANTAGE. So like the good communist researchers they were, when they were told to research it and develop tactics and techniques to get their athletes taller naturally, they did what was told of them. SECRETS REVEALED IN UPDATED EBOOK And that research is the basis for the newly updated ebook manual How to Naturally Increase Your Height 2-3 Inches Within 7 Weeks. Not only do you get secrets from the Soviet research, you also get the latest Western research on the subject. What you will learn from the information in this ebook is simply astounding. Such things as: * The men in this small republic average 6'3", the women just under 5'11", you probably never heard of these people, but they are the tallest people in the world * An easy way to prove you can grow at least 1 inch within 1 week, NO TRICKS!! * American men average just over 5'9", Dutch men average 6', the Dutch weren't always taller, find out why they are now * 150 years ago, Americans were the tallest people in the world, what

happened? * Genetics, yes they play a role, but you'll see how you can overcome them * Avoid these if you want to maximize your height * A simple thing to do at night to help you grow, you'll shake your head at this one * Why the heavier you are the more height you can possibly gain, fascinating * Cartilage, the key to growth! * Did you know about 5.5 million American males are 6'2" or taller? * Why kids these days are getting taller and taller * Why Asians are generally shorter than North Americans and Europeans, not just genetics!!! * 2 Critical stages of growth and how to maximize this to your advantage * The secret growth food the tallest people in the world eat, yes, those same people where the males average 6'3" in height, it's cheap and plentiful * Did you know that professional baseball pitchers' pitching arm is usually 1-2 inches longer than the non-pitching arm? Find out how to use the same principles they use to gain 2 inches in your legs * Guess how many American females are 5'9" or taller, better yet, just find out inside this ebook * A quick massage to "SUPER CHARGE" your growth potential What is the price you're willing to pay to be 2-3 inches taller in 7 weeks? No, I'm not talking about money. I'm talking about effort. There is after all some effort involved in gaining those 2-3 inches. You will get what you put in. Are you willing to put in 30 minutes a day for 7 weeks? If so, this ebook is for you. Most of what is in the ebook is simple to follow and do. There are a couple things you may have a problem with depending on what shape you are in and your level of coordination. However, that is the only drawback to this ebook and there are ways around that. There are also color illustrations for easy reference in the ebook. So even if you don't understand the descriptions on what you should do, you have drawings to help you out Tags: mrr,
