March 1, 2010 A Limited Time Offer From: YOUR NAME HERE Re: AdSense Revenue Exposed Dear Internet friend, Want to turn your content into cash? If you have a content site that's ready to be taken to the next level... Or if you even have the slightest hint that creating content sites could be right for you... ...make sure you take this income opportunity seriously. Google AdSense has proven for many who are looking to make money online - it's better to display ads than to place ads. Just take a look at the advantages... * No need to search for untapped markets or take a chance creating products that may or may not sell. * You don't have to deal with customers, EVER! * You can still make a substantial income just from displaying ads (some earn as much as \$25,000 per/month!) Here's how it works: Google AdSense lets you place ads on your website. Every time a visitor clicks on an ad, you make money! Make no mistake, Google AdSense performs better than any other advertising program out there. Just look at the benefits... * Google AdSense runs by itself - set it up one time and let Google do the rest from here on out! * Google AdSense matches relevant ads to your site! After automatically scouring your content, only the ads your visitors are most likely to click make it on to your webpage. More clicks means you make more cash! * Google AdSense lets you use text-only ads! Text ads won't slow your site down and have been proven to be more effective than even animated ads!
