Noobies Welcome...Learn a Simple Method to Making \$30-\$75 Per Day Using FREE Cpa Offers Dear Friends, First let me say that I have no reason (and it does you no good) to try and WOW you with crazy, unbelievable income projections. Making \$30 to \$75 per day is a very conservative estimate. I have NEVER had anyone complete this course and not make AT LEAST \$30 per day! What you are about to learn in this course is a very simple method used by expert marketers in the CPA industry. Inside of this course is the KEY to successfully marketing CPA offers. Its the ONLY way to do it. The best part of marketing CPA offers is that all of your traffic sources are FREE. Thats right! You will NEVER have to pay for traffic with this program. You Will Be Making Money By The End Of The Course...With No Adwords, Articles, Forums or Videos...All FREE Traffic! I have created a very simple method that brings your offer in front of communities of people that have similar interests. For example, if we could show a whole bunch of people who just lost their job a resume offer, it would probably convert pretty well...right? Right! That is exactly what I show you in this course. We will be using the dating niche in this course because it converts LIKE CRAZY and the income is instant! I want you to be making money RIGHT AWAY! The tactics, techniques and free traffic sources that I go over in the course works with ANY NICHE and ANY OFFER! I use the same techniques for mortgage leads, credit card apps, life/health insurance apps, and netflix free trials...the only difference is, Im going to different communities. Here Is Whats Included In This Course (123 MB Total Size)! Over 4 Hours Of Video * A simple, Step-By-Step, out of the box marketing method that is used by almost every Big Dog in the CPA industry. * My advertising sources * My ad templates * Pictures, Outlines, and plans to ensure your success * No extra costs what-so-ever (free traffic) * Extremely beginner friendly * A plan to have you making money by the end of the course * Everything you need to start making money right out of the box! Bonus #1 - Scale It Out To \$20,000 Per Month * How to scale this program out into a 5 Figure Monthly Business * Complete guide to outsourcing the entire program * The places I use to outsource * The Job ads I post on the outsourcing sites * How to get as many outsources as you want without paying a fee Bonus #2 - How To Get Approved For Any CPA Network * Learn the Easy way to get approved * No website or list needed * I walk you through the

application and show you how to fill it out the right way (its not how you think). * A list of questions the account manager will ask you * The answers to the questions they will ask * The exact way I got approved for some of the top networks out there WITHOUT a website, a list, or even traffic. Lifetime Support * Free, lifetime email and IM support for everyone who purchases * Updates and info on what Im doing, where Im advertising, how Im converting and what offers Im promoting. Dont just learn WHAT I do...Learn HOW I do it! Like many of you, Ive taken courses on internet marketing, affiliate marketing and just about everything else that has to do with online business. The problem I found is that while all of them teach the WHAT to do, none of them (at least the ones I took) teach you the HOW. Whats the point of knowing what to do if you have no idea how to do it? All This For Just \$12? Yeah! 12 Dollars! Try it NOW and be making money in hours!
