How To Go From A Beginner Who Likes To Cook All The Way To Head Chef Of Your Favorite Restaurant! Make that your restaurant... Everyone likes good food. But not everyone can cook. In fact, it takes a lot of practice to learn to make tasty dishes over and over again. There are culinary schools all over the world. Many colleges teach the culinary arts. And dont forget the trade schools. With all these options, do you know where to start? Let me break it down for you with one question. Do you like to cook? If your answer is yes... if you want to learn to prepare a delicious entree for your friends, family, customers, or more importantly, yourself... then I have news for you. You can make delicious food for a living! Just by becoming a chef! Im going to tell you everything you need to know to make this dream possible. From when to start, where to get training, all the way to which specialty is right for you. And you can find it all inside something that I like to call simply... ..Chef... 1... 2... 3... ! Give me 25 minutes of your time and Ill send you on your way to a promising career as a head chef. Not everyone in life has the opportunity to work doing something they love. Most people have a choice between 9 to 5 jobs sitting at a desk or performing manual labor. Back breaking manual labor. But the people who make a conscious decision to do something they love - often achieve it. The difference is, they make the decision before the opportunity passes them by. Here is my promise to YOU. If you want to change your life for the better. Starting today. I can show you how. It all starts by answering to this call... ..Who Else Wants To Live A Dream Life As A Master Chef? Thats the first step. The rest is up to you. Ill show you the way. But you must follow through! How To Become A Chef is my thoroughly researched, 50-page report that will teach you everything you need to know to get started with your career in the culinary arts. You can download my guide to your computer in minutes! Literally minutes from now, you can be reading important facts such as... ..well here, Ive made a list. Here is just SOME of the information you will find inside: \* 8 questions you need to ask yourself before deciding to become a chef. \* Find out how long you will be expected to pay your dues before being considered for head chef. \* The truth about trying to become certified through an online course. \* 5 things to research when looking for a culinary school thats right for you. \* Find out the one job you must take first if you ever want to run your own kitchen as a chef. \* Find

out what you can expect to make in dollars as a Head Chef, Restaurant Cook, Short Order Cook, or Cafeteria Cook as you enter the work force. \* Find out exactly what you need to do to start your career as a chef \* Discover the most prestigious specialty a chef can have - and what you need to know to get started. \* Understand what elements of business you'll need to brush up on if you plan to run your own kitchen. \* Realize the importance of people skills on the success of your career. \* Understand the working conditions you will be under as a chef - so you'll know if you make a great fit before you start your journey. \* Find out what the word sous means in the kitchen - your job may depend on it. \* Discover the endless freedom that being an experienced chef can provide. \* Find out the rewards of working as a personal chef for families. \* Learn what being a gourmet chef really means, and what you'll need to learn in order to take this job. \* Why becoming a chef involves a whole lot more than just learning to cook - do you have what it takes? \* Learn what makes being a chef a very physical profession - and great for people who don't like to sit behind a desk. \* Find out which training will put money in your pocket as you learn more and more in the kitchen. \* Discover what you will need to be a great chef and live a rewarding life doing so. \* Uncover the vast variety of options you have to choose from when picking a specialty \* 10 of the best culinary schools in the state - and information on how to learn more about them. \* 7 of the best books you should invest in if you want to have a future as a chef. \* 8 web sites you should visit today to further explore this field. And there's MUCH more - guaranteed!
