Get Your Hands On 24 Ready To Go Newsletter Issues With Unrestricted Private Label Rights! - All you have to do is plug in your promo ads, copy paste and send! - Dear Internet Marketing Friend, Are you sick and tired of writing and hunting down content to send to your subscribers? Then spending even more time editing that content into a newsletter issue that makes sense? Well now you dont have to worry about that any more. At least for a little while! Introducing a copy, paste and send solution that will save you hours of time and trouble! The All About Internet Marketing newsletter package is a nice collection of private label articles all preformatted in a ready to go newsletter style format. All you have to do is plug in your promo ads and any other content or publisher notes that you want and send it to your subscribers. It only takes a few minute to customize all of the issues! Yes, you read right! It only takes a few minute to customize all 24 issues included in this package. You can add your name contact information and URL with just a few clicks of your mouse. Leaving you more time to focus on more important things like promotion, lead generation, list building and product creation. What makes this even better is that once you have all of the issues customized you can plug them into your autoresponder, set them to go out every week or once or twice a month and then let them do their job! Which is to keep you in the mind of your readers on a regular basis. Not only do you get 24 ready to go issues, you also get everything you need to use this content and even profit from it! Just keep reading to find out exactly what you will be receiving if you grab this brand new newsletter package with unrestricted private label rights now! All About Internet Marketing Learn the Basics of Promoting Your Business with Internet Marketing The All About Internet Marketing newsletter series will provide you with quality information on internet marketing. You will receive 24 ready to go issues that will allow you to teach your readers what it is, how it works and how they can use to effectively use it to market their own profitable business on the internet. Heres What You Will Receive With This Newsletter Package * 1 Newsletter Complete Series - You get the complete newsletter collection containing 24 issues in both text and doc format (source code that you can edit) to create your own customized newsletter issues. * Custom Designed Cover Graphics - the cover graphics come in several different sizes. You also get the Photoshop (PSD) source files, so that you can quickly

edit the covers and add your name to them! * The Private Label Rights License - this gives you the right to edit the content and the graphics, brand them as your own and use them to promote your products and affiliate programs! * A Complete Resellers Package - This is an extra special bonus that will allow you to package up this newsletter set and sell it as your very own product. I also want to point out that this newsletter package is brand new and has never been released before! That gives you a huge and distinct advantage... because you will be one of the first to benefit from this brand new package! Get The Whole Package, Your Reseller Site And Your Ready To Go Squeeze Page For Only $1.90!
