Nothing You Do Online Is As Beneficial And Profitable As... Building Your Own Opt-In E-Mail List! It's True! Think about it for a minute - can you name even ONE Internet Marketing Guru that doesn't have their own e-mail list? Or even Numerous e-mail lists? We've all heard the same refrain a thousand times from every Internet Marketer out there: ?The Money is in the List! Yet where does YOUR Opt-In List Building Stand? Is your list growing by Leaps & Bounds? Is it in the 5, 6 or 7 digit range? Have you even STARTED your Opt-In List yet??? If you're like most people, you know you need to get your list-building act together to make any real progress in your online marketing, right? So why is it that probably 95 of all would-be marketers online haven't yet started their list, or have too small a list to really get going? After all, telling 200 or 300 subscribers about your offers is NOT going to make you rich, is it? In most cases, it takes 5 - 10 THOUSAND subscribers to start making any real money online - and a LOT more than that to eliminate financial concerns! So why don't more marketers have bigger lists? Because everyone tells them they need one - but not HOW to build one! Because everyone tells them they need one - but not WHAT to send to their new subscribers! So what's the solution? Introducing... The 'Build Your Own List' E-Course! This brand-new, 5-Day E-Course cuts through the fluff, eliminates the Bull, and shows you EXACTLY how to get your own Opt-In List Building efforts into high gear! Better still, you also get full reprint rights to the course so that you can USE THIS VERY COURSE as the start of your own e-zine - offer it to your subscribers to help THEM build THEIR lists at the same time! Over the five days, the BYOL e-course will show them 20 different resources, many of them FREE, to build their lists with. And YOU get to Customize those links to build your own list even faster! Written by Internet Marketing Specialist Doug Champigny, this crafty little course will be of major help to your subscribers - while YOU reap more than DOUBLE the list-building benefits! Designed for MAXIMUM IMPACT over the shortest time, you not only get the 5-part course and the customization information, but both you and your

subscribers get free distribution rights to 2 Hot E-Books and a Lead-Capturing Sign-Up page to distribute them from - already built and waiting for you to upload to your server! And don't worry if you don't yet have web space or professional autoresponders to use this system with - the course will show you the best place to get them - and show you WHY they're the best places to get them!
