If you're set on taking your stamp collecting to the next level... Then this may be the most important letter you'll ever read! Who Else Wants To Be Able To Grade Your Own Stamps, Find The Errors, And Become More 'In Tune' With Your Stamp Collection In Just 5 Days? It doesn't matter if you've never collected stamps a day in your life, or you're the most talented person in the world... This stamp collecting guide will help you not only get better, but it will also make you feel more like the professional stamp collector that has been hiding in you! Dear Friend, Are you planning on learning how to take your stamp collecting to the next level or simply want to? If so, pay attention! There's finally a new, breakthrough book created just for people just like you! And, if you really want to get the best results possible without putting in countless hours in at the library, then this book is definitely for YOU! I myself have been stamp collecting for 20 years now, but it wasn't easy for me when I first started! I mean, information on this is pretty hard to come across. Especially the kind of information I wanted to know more about. To be quite honest with you, I got tired of looking and searching all over the place, so I decided to create the definitive book on stamp collecting! This Isn't Like Any Other General or Generic Book On Stamp Collecting You Can Find In Any Store.. ...On the internet, or even at your local library for that matter! This book covers everything there is to know about yoga. In fact, some people have called it the "Best Stamp Collecting Guide On The Internet"! It's like having your very own stamp expert that you can reference and ask questions anytime that you need to! You'll uncover a wide array of tips, including interesting facts that made them what they are today! You're going to discover so many different things on techniques, tools and materials, using a watermark detector and more! Not only will you find new tips and tricks, but you'll also learn *extra* bonus tips to help you correctly find errors, learn about overprints and perfins and more... Without spending hours and hours at the library! Here's Just a "Sneak-Peak" At What You'll Uncover With All About Stamp Collecting * The major terms used in the stamp collecting hobby. * What overprints and perfins are. * How to find errors in stamps! * All the different types of tools and materials needed to be successful. * First day covers revealed! * Discover the many joys that come along with stamp collecting. * Elaborated look at how to grade your stamps. * Find out how to use glassine envelopes correctly. * Discover all the different

stamp collecting albums to use for your collection. * Stamp grading terms uncovered. * Learn all the different types of stamps out there that you can add to your vast collection. Plus... You'll Also Learn Things Like: * Using a perforation gauge properly. * What color guides you should be currently using. * Find out which stamp catalogs are out there. * How to properly get started in your stamp collecting venture or take it to the next level. * How to open doors to you to expand or branch into another field of stamp collecting. * Plus much MUCH More!
