FREELANCE PHOTOGRAPHY AND YOU Do you enjoy taking photographs? Are you the kind of person who brings the camera everywhere you go? Do you never miss an opportunity to take a picture? How good are your photographs? If you possess some skill at camera work and love doing it, then you have a marvelous opportunity in front of you if you wish to take it. There are many people who have taken an enjoyable hobby and turned it into a thriving business. There are others who have simply made a lot of extra cash doing something they would have been doing anyway, pay or not. What about you? If photography is your hobby, your passion, what about exploring the numerous openings out there for good photographic work? People love pictures and virtually any occasion for picture taking is an opportunity for the photographer to earn some extra money. Camera, Camera, Camera! Cameras are so sophisticated today, you dont even have to be an expert at picture taking just be able to read and follow directions. If you have the motivation, this is an area that has plenty of room for new blood. Your advantage over professional photographers is that you can charge a lot less and still produce the quality pictures your client will love. At the same time, you can save that individual a considerable amount of money for a fabulous result. What could be better than that? If you organize your time well, you can spend some nights and especially weekends seeing a lengthy number of clients. It would not be unusual to earn more in your spare time with photography than you do in your regular job. That could be an indication that you are in the wrong profession! Get Work Just About Anywhere! Whether its weddings, portraits, models, greeting cards, newspapers, aerial photography or some other form of photography, the opportunities abound for the person willing to give it a try. Photography is here to stay. Even as people cut back during tougher financial times, the desire for photos reasonably priced is, and always will be, there. Yes, there is competition, but if you expand your natural market of family and friends, there are plenty of jobs to go around. Youll probably even find a certain type of photography that you like best and gravitate towards that almost exclusively. Who knows what could happen once you

launch your business? What have you got to lose? Working from your home can be a fun, and all you have to do is start.
