Unfortunately most of us never learn how to utilize these powers to their maximum benefit. As a result, success always remains just out of our grasp. To borrow a phrase, we are forced to live lives of quiet desperation, struggling to make ends meet as we wait for that next paycheck to arrive. But life doesnt have to be this way. We can learn to live lives of great prosperity. All we need is expert advice from someone who has been in our shoes and succeeded, someone who has already taught numerous others in circumstances just like ours what they need to do to succeed beyond their wildest dreams. What we need is The Self-Development: A Handbook for the Ambitious eBook This ebook, written by noted journalist and psychologist H. Addington Bruce, contains all the secrets you need to know to begin living a truly prosperous life. Heres more about Mr. Bruce. During his lifetime, Mr. Bruce wrote numerous articles and books about psychology for the lay reader. At a time when widespread differences existed between psychologists as to subject matter and methods of study, he cultivated a decidedly progressive image of psychology dominated by the concepts of the subconscious and power of suggestion. In short, Mr. Bruce believed that inside each man is everything he needs to achieve prosperity. But Mr. Bruce didnt stop there, he wrote a book entitled, Self-Development: A Handbook for the Ambitious that reveals step by easy step how ANYONE can draw out those powers and use them to achieve success in both their professional and personal lives. The aim of the Self-Development ebook is to assist readers not merely to gain prosperity in a material sense, but

also to gain the higher prosperity which too many people take too little into account. The dictionary defines prosperity as "advance or gain in anything good or desirable." Also it gives the far more limited definition, "Successful progress in any business." This latter, unfortunately, is the definition most people have in mind when they think of prosperity. Many seem to regard prosperity as wholly synonymous with business success. To millions, little matters except the securing of money. Health itself is damaged to this end. Spiritual realities are quite forgotten. Cultural interests claim next to no attention. The truth is business success is by no means the only thing good and desirable. Without success in your personal life, success in your professional life will surely not taste as sweet. The Self-Development ebook reveals how you can have both, or in short a truly prosperous life. For all men of normal psychic constitution contain within themselves success-winning attributes, utilized by the great majority to nothing like their possible maximum of use. How to draw upon these powers, and at the same time how to direct them to ends compatible with a wholesome philosophy of life, is what Mr. Bruce accomplishes in this wonderful ebook. Through his observation, experience, and study of the findings of modern psychological and physiological science, he is able to provide the groundwork you need to chart a very successful career and life. Here is more of what you will learn on the pages of this amazing ebook: How to eliminate negative feelings that could hold you back from achieving the success you desire follow these tips to finally get rid of your feelings of envy, jealousy, bad temper, fault-finding, bullying, and grudge-bearing once and for all!
