If you could gain instant access into the world's largest library of FREE content, that you could use however you wish, how many websites could you create in just a few days? How much more money would you make, if you had a limitless supply of content that you NEVER had to pay for, that you could sell for 100 profit? Well, in about 11 minutes from now, you will know exactly how to swipe as much content as you could ever hope for, without having to hire a freelance writer, deal with copyright restrictions, or spend hours painstakingly writing documents and material yourself. From Today Forward, You will NEVER have a shortage of Products to sell! You are about to discover one of the best kept secrets of the info product gurus. This closely guarded source of high quality material, is an outright gold mine if you have ever wanted to make money selling high end content from some of the greatest minds in history. These long lost documents are of incredible value, and hundreds of people spend hours searching for a copy of these books, only to come up empty handed.. but in just a few minutes, you will know exactly where to find these timeless classics and sell them for \$25, \$50, even \$500 each! Discover The Insider Trade Secrets Of Exploiting The Public Domain!" Grab Your "All Access Pass" To The Extensive Library Of FREE Content And Material That You Can Sell!

Within the public domain, there are literally thousands of books that you can re-purpose, re-package, edit, create into compilations, bundle together into huge courses or collections, OR use "as is", and sell them for any price you wish.. without ever having to pay ANYONE for licensing rights, royalty fees or anything else often associated with current material. And public domain goes beyond just books. On sites like Ebay, dozens of merchants are generating \$100,000.00+ a year just by selling other material that they swiped from the public domain including images, films, and old photographs. Do you have any idea just how many people are willing to pay top dollar for access to old photographs, reprints, or to have old novels, manuals and even government records re-created into digital ebooks, CD's or DVD products?

These people have no idea where to search for public domain, or how to verify it is 'usable', but with the complete guide to finding and exploiting public domain, you will know exactly where to find an unlimited supply of valuable public domain without ever having to leave the comfort of your own home. No rummaging through garage sales, visits to the public library, visiting old book stores or the local Salvation Army. You will be able to find as many high quality books, images, films, documentaries, novels, and even music that comes with NO RESTRICTIONS in place, as you want.. right from your computer! And if you think that no one will want "old, outdated material", think again.. Did you know that Shakespeare along with hundreds of other plays and poetry can be found within the public domain? What about the book "Scientific Advertising", written by Claude C. Hopkins? It's one of the greatest copy writing books ever written, and you got it! It's in the public domain. But that's barely scratching the surface.. From timeless classics covering romance, sports, business, home decorating to crafts, psychology, and even science, you will have thousands of 'ready made books', that you can instantly sell for profit, without ever having to hire a ghostwriter, again! Here are just a few recent testimonials from customers who have put the Public Domain Tycoon into action, to generate traffic and profits, instantly.. Have you ever wanted to know what it felt like to pillage a gold mine, lugging out bag after bag of shiny gold coins and glittering, perfect jewels? That's exactly what the public domain is all about. Take the journey with me.. open the door to the vast library of the 'forgotten files'... Walk through the endless hallways, lined with bookshelves and treasure chests, filled to the brim with long lost classics, highly profitable imagery, and scrolls of maps, illustrations and drawings, that collectors would pay top dollar just to own a single copy of.. Haul back crates of brilliantly written classics, the works of creative geniuses who passed on long before they could protect their material.. Fill your digital inventory with thousands of new titles, and sell as much as possible without ever having to write a single word yourself. But we won't stop there.. I will take you by the hand into the deeper corners of the world of the public domain, where you will discover exactly how you can make even more money by adding in "drops of creativity" so that other people can NEVER use the same content again! Here are just a few of the many things you will learn: Discover the most valuable sources for public domain content, where you can literally download hundreds of documents, images, music files and much, much more! These are the closely guarded virtual libraries that they don't want you to know about.. Learn how to verify that a document is copyright-free within seconds, and never put yourself at risk of being sued for infringement (very important lesson, see page 18) Follow a proven

formula for finding the hottest products that are STILL REVELANT and in demand, in today's society!
With just a few clicks of your mouse, you will have hundreds of high quality material to work with! Find out how you can instantly maximize your profits by re-packaging public domain into your own copywrite material that NO ONE else can ever use! Gain access to a step by step system for finding and exploiting content within the Public Domain, covering EVERY niche market imaginable! It doesn't matter if your focus is on golf or home decorating, there is high grade content in the public domain! And Much, Much More! Tags: mrr
