Learn Why So Many Marketers Are Secretly Using Blogs To Create Easy Make In A Day Static Websites

Let me introduce you to a wonderful trick many top internet marketers know. (The ones who create hundreds of minisites, and have multiple business ventures in full swing at any given time). The truth is, you can take an afternoon to create an easy WordPress blog (and trust me - it will be easy, when I've shown you, step by step, how to do it!) Then optimize it with easy, free one-click techniques - then convert all the interactive bits to static. You're about to find yourself working with a straightforward how to manual. Every step is illustrated with screenshots, as I set up a blog and change it to a static website while you follow along, step by step. You won't waste your time impatiently plowing through 15 pages of introduction, being convinced about something that you probably aren't even going to be shown. We'll get right down to business - together. You can also use it to educate your members and to get more traffic to your own website. This series contains 30 ready to go autoresponder messages and is designed with beginners in mind, so even if your readers have never saved a penny before they will be able to quickly use the information to start cutting costs and saving money right away! You'll soon be learning how to: Set up a WordPress Blog on your own site Easily operate through cPanel Find and install plugins, widgets and themes Customize your settings for maximum optimization Remove components that make it look like a blog Add new pages easily just copy paste your text and import graphics with one click! Customize your second or third columns with information you want not what WordPress supplies Update your site in less than an afternoon - without worrying about making coding mistakes! Discover just how easy it is to perform the most complex functions with WordPress as a Content Management System! Reflect a competent, professional web image to compliment your marketing efforts Easily achieve the professional, balanced look of a custom-designed site at virtually zero cost! If you're sick and tired of website woes, and wrestling with code that changes before you've grown comfortable with what you've only just learned, try WordPress Websites Secrets right now!
