How To Turn Twitter Into Your 24 Hour A Day Automatic Branding, Traffic And Profit Machine As a fellow online marketer, I know how important it is to stay ahead of the curve. To stay competitive, you need to be the first to use and apply new and effective marketing techniques like this. Because of that, I've decided to share the exact system I used to create and launch my Tweet Virus with a VERY LIMITED number of people who see the power and potential this system offers. If you believe that you could benefit from an automated system that provides a continually growing network of targeted contacts for traffic, branding and profits, you might be the right kind of person to learn my Tweet Virus system. If so, I have written out my complete 5-Phase Tweet Virus system in step-by-step format, including screen shots and easy to follow instructions, making it possible for anyone who is fortunate enough to get their hands on this material to launch a Tweet Virus of their own. In Tweet Virus you will learn:- How to quickly and easily set up your Twitter Profile to prepare it for YOUR Tweet Virus. (Even if you already have a Twitter profile, you'll want to read this section for insider techniques you may have missed.) Your step-by-step instructions for tweaking this FREE third party service that will automatically spread your Tweet Virus. Your secret yet easy to use viral tweet code designed to ensure your followers will grow virally by putting other successful Twitter profiles to work FOR YOU with their thanks! I haven't seen anyone else using this viral tweet code even though it's the most important part of your Tweet Virus. (You'll learn how to tweak this code to work with YOUR niche to ensure targeted followers continue to join your profile daily - and automatically.) The virtually unknown FREE resource you will use to automatically infect Twitter with your Tweet Virus, creating an ever growing network of followers. And it takes only minutes to do! How to slow the rate of infection down once you've reached your first few hundred or thousand followers to ensure your followers remain targeted. (And why this is SO important.) How to effectively manage your Tweet Virus so you don't set off any alarms at Twitter or violate etiquette or TOS. How to communicate effectively with your growing network of followers to brand yourself and generate targeted traffic and profits without coming across as spammy or annoying. (In fact, people will be THANKING YOU for being there!) With your copy of Tweet Virus, you'll have in your hands the EXACT blueprint you need to follow to

copy my success and launch a powerful Tweet Virus of your own.
