How To Earn A Good Living Reuniting People With Their Lost Money What is unclaimed money? Unclaimed Money is tangible or intangible property that is unclaimed by its rightful owner after a significant period of time. Every year billions of dollars in unclaimed money and property is turned over to the State by companies who cannot locate the owners. Unclaimed money and property in the form of bank saving accounts, safety deposit vaults, deposit certificates, estates owned, money orders that were not cashed, insurance policies that are terminated or matured, term deposits, non refunded utility deposits and many other sources. Companies cannot hold on to money owed to another indefinitely. When the company cannot find the property owner, the money must be handed over to the State. Various states and government agencies have programs to return these funds to the rightful owners. Many States Unclaimed Property Divisions are understaffed and cannot update regularly. A few governmental agencies acting as custodians for individuals and businesses unclaimed money have no incentive, in general, to make it easy for the billions of dollars to be found and thus claimed. It has come to our attention that the authorities of a few states do very little to contact the rightful owners of unclaimed money. Moreover, other states have enacted legislation that enables the state to compensate budgetary deficits by using some of these funds. These problem was compounded by loopholes in state laws and red-tapism. In other words, little is being done to notify the rightful owners that they are entitled to unclaimed money. This is where the opportunity for you to earn \$200 or more an hour presents itself. The majority of unclaimed money owners do not know they have unclaimed money available to them. The small number that are aware or believe that they are entitled, do not know how to search for and claim their lost assets. As a Money Finder, you assist these individual locate their missing assets and collect a commission for doing so. You only collect a commission when you reunite some one with their unclaimed property and you only contact those individuals that you are 100 sure are the rightful owners of the unclaimed property. The Unclaimed Money Finders Guide explains it all: It doesnt require that you learn any new or special skills! If you can read, write, and follow simple instructions, you have everything it takes to make money the the Money Finder business and improve you financial situation. I have spent

almost 2 decades developing and perfecting the process. All you have to do is follow the steps as outlined in the guide. It takes very little money to get started! You start using nothing more than your telephone, pencil, paper, and the guide. A computer would be an asset, however, it is not needed to get started right away. There is no need for any large cash investment. It takes very little time - You can start doing it part-time. It is a very low stress way to earn extra income on the side with the potential to make as much enough money to make it your full-time occupation. It gives you total freedom! You can do it when and where you want. The way that you want. You are not obligated or dependent on anyone. You set your own hours. You maintain total control of this work time. It Really Works! This income earning technique has been tried and tested and most of all PROVEN for years by myself and many others. For almost 20 years people have paid me hundreds of thousands of dollars in fees, per year, for utilizing on their behalf, the information contained in my book. This book was written to help individuals like you, earn similar enormous amounts of money in a short period of time. Many people asked me if I could teach them how to duplicate what I am doing to make \$200 plus an hour. I always said no, I was too busy earning an income. Over the years I have developed contacts and resources all over the country that keep me well informed in reference to unclaimed money developments on the government and local level. When I quit this business, these valuable resources are going to go to waste. I had to come up with a way to make this vital information available because I am getting old and slowing down, the economy is such that the demand for money finder services is going to escalate, and now is the right time. For these reasons the Unclaimed Money Finders Guide was created. This guide contains all of the information necessary to provide you with all the training you will need to make \$200 or more an hour. It will also inform you of everything you need to know to start almost immediately, set up your business correctly and avoid most beginner mistakes in order to guarantee that your money finders business is a success. The Unclaimed Money Finders Guide, tells you exactly, in precise detail, how to set up your money finders business so you can start making up to \$200 or more an hour right away. This guide will show you: How you can recover the unclaimed money before it goes to the states and how to recover unclaimed money in other countries. Advanced techniques and resources of searching for people. How to set up your money finder business and design your own office at the lowest possible cost. How to minimize costs and maximize efficiency. How to budget your time and resources for maximum profits. How to assess your clients, including how to determine when it's the right time to say no. How to develop a professional

company image. Unclaimed Money Finders Guide is packed with information about the latest research and techniques in retrieving unclaimed money, the latest industry updates as well as existing state legislation and regulations.
