

# Tapping Into And Monetizing Press Releases

In this guide I will show you how to profit from buying traffic from a website that directs to your site and selling advertising space on your website to earn a huge profit. You may be overwhelmed with the technicalities, but I will be explaining everything in a step by step fashion that will get you excited about the possibilities of this system. To keep things simple right now, I want you to imagine that you will soon be buying a press release for just \$19 and selling the traffic you get, advertising space to someone else for \$50, in the process making \$31 in profit!! This is rather easy to achieve on the Internet. In fact, many people managed to profit from this system in the 1990s when Google introduced adsense and adwords. Many people started getting traffic to high paying advertisements via adsense on their website with that same traffic.
