Network Marketing Pitfalls Discover the Pitfalls & Traps in Network Marketing that You Can Avoid Saving You TONS of Time, Money & Mistakes! You Need To Read THIS! Welcome to the exciting follow-up book on Network Marketing. In the first book, we have explored on one of the most important yet least talked about, most overlooked aspect of network marketing or Multi-level Marketing (MLM) Knowing how to CHOOSE a network marketing company and getting the most out of it. Now what? Okay. I have chosen the right company. Will it really work for me? The truth would sound more like how can I make the company WORK in my favor? Remember the staggering truth that 95 of people fail in MLM? I strongly believe that among the 95, there are sincere, hardworking people who work hard to make the business work for them, but are spending most of their time and money DOING ALL THE WRONG THINGS! This book once again is not a typical HOW TO guide. There are lots of HOW TO scattered throughout the Internet and many, many more HOW TO available from your upline and from MLM books all around the world. Yet strangely many people miss out the fact that it is EASIER NOT TO do the WRONG THINGS than learning to do the RIGHT THING. Sounds simple? Ironically, common sense is not common. Avoiding the wrong things saves you the valuable TIME (some people in MLM do the wrong things for YEARS) so you can learn how to do the RIGHT things with the time you saved. Is this practical stuff or just theory? Must I do the wrong things myself to prove that it is really wrong so I can feel it for REAL? Well, A mother doesnt need to go on drugs in order to prove to her child that they should AVOID drugs now, dont they? Remember that in MLM, just like in real life that we must learn from the mistakes of others. We dont all the time in the world to make all the mistakes ourselves!
