Teenpreneur By Stacy Fox (About The Author) DID YOU KNOW? How Teenagers Can Start Their Own Businesses? How Teenagers Become Successful in Life? And, How They Can Have a Ball Doing it? Are you sick and tired of hearing how bad teenagers are? Every time you pick up a newspaper or listen to the news theres another story about a gang or how an out of control teen has behaved badly. We never hear about the kids who excel at their studies. We never hear about the kids who donate their time to help others. We never hear about the kids who hold down jobs plus doing well in school. Theres also another segment of the teen world that we rarely hear about and thats teens that are also entrepreneurs, or as we prefer to call them Teenpreneurs. These teens are very special. They have the foresight to see into the future and understand that having their own businesses is the key to their higher education and a prosperous future. But, were about to give you a picture of a few teens that are just like that. Reading their stories is inspirational. But thats not all. Teenpreneurs is really all about helping a teen of your own realize their dreams and live up to their potential. Not only do we tell you all about teens who have done it, we also teach the readers how to do it themselves. Thats right. There are tons of businesses that are geared for teens and Teenpreneurs teaches you everything you need to know about how to do it: *

- * Understanding all about land, labor, capital and knowledge.
- * Learning the ins and outs of buying and selling goods and services.
- * Why a business is right for teens.
- * Funding a teen business.
- * Advertising and marketing.
