Finally... A Real Cure for Obesity! Stop Weight Gain and Lose Inches Fast! No medication! No bogus cures! No diuretics, fad diets, food deprivation or killing yourself exercising for months on end only to find out you have not lost one single pound! Or even worse ...that you have gained it all back in half the time it took you to lose it. Are you sick to death of being lied to by the weight loss industry and sick of being sold products and devices that may even harm your health? In Losing Weight Natures Way, you will learn - - How to prevent yourself from becoming just another burden and statistic overloading Americas already stressed health system, by taking just a few steps towards improving your general health - How to know if you are truly obese - How weight loss works physically inside your body so you understand the processes it must go through for you to accomplish your goal - How much energy you really need to get through your day, and what amount of food that represents for you to stay healthy yet slim - The difference between gaining weight and gaining muscle - The relationship between weight gain and hibernation leading to social isolation - The relationship between weight gain and refined foods - The benefits of regular exercise combined with sensible eating to lose pounds - Which kinds of exercise are best for losing weight - How to exercise using no equipment at all and still lose weight - How keeping a fat loss journal can help you lose weight - How to figure out the net calories that you burn very day - How to find daily opportunities to exercise in your regular routines - The importance that water plays in weight loss, and how much water you need to drink a day to actually get the weight off of you - The importance of eating vegetables to accomplish your natural weight loss goals - The importance of eating more fruit to lose weight - What are negative calorie foods - The role that Green Tea can play in weight loss - The role that Acai Berries can pay in weight loss - How to use Yerba Mate and incorporate it into your diet plan - How to shed pounds using apple cider vinegar - How to chew your food properly - A comprehensive list of foods that are good for you to eat and that are enjoyable I KNOW they work - I have tried them all. I believe in the results I've gotten for thousands of people suffering the full range of problems with obesity, and because of that I believe that this method will work for you.
