Brought to you by: ultimatebookwarehouse Sales Letter Creator Software Description: _____ Great Software Sales Letter Creator Creates MiniWebsite CREATE AN AMAZING SALES PAGE WITH SALES LETTER CREATOR! Who Else Dread's The Thought Of Trying To Painfully Write Their Own Direct Response Sales Letter? Now You Can Build Your Website And Write Your Sales Letter The Easy Way! I hate writing sales letters and building websites too! That's why I created Sales Letter Creator... It built the very website that you are looking at right now! If you are at all like me you absolutely dread the thought of writing a sales letter, or building a website to sell your product on the Internet. The problem is though without a website and a killer sales letter to go with it you are dead in the water, and I mean that literally! The Solution To Your Problem... Sales Letter Creator! This incredible software not only guides you step by step as you carefully craft your sales letter. It practically writes it for you! Not only does it totally format your sales letter for you just as the sales letter here is formatted it also builds your sales page website for you! Who would have ever thought getting your product online would be this easy! I used to stay up until the wee hours of the morning banging away on my keyboard trying to write my own sales letters. I'll tell you even when I would get close to making it sound decent I would have a problem with creating a table, or when I went to make my headline BOLD the next thing you know the whole darn sales letter was bold!..... UGHHH I was frustrated and I had had enough! That's when I had my friend Jeff build me this neat little software called "Sales Letter Creator" the very same software you are reading about right now... and the very same software that built the webpage you are looking at right now! * Step By Step Process - "Sales Letter Creator" walks you through a simple step by step process, and all you do is fill in the blanks! * It Builds The Web Page For You! - This incredible software builds your webpage for you... You just enter your text in the boxes that it tells you and click build! Its that simple...
