Thursday, 3:42 P.M. From: The desk of Honor Hart, Internet Marketer, SBI Consultant RE: How you can build a successful coaching practice on the internet by knowing the right tools and strategies Dear Coaching and Consulting Professionals, It's time you knew about Milana Leshinsky, a coach for all coaches (that is, if you don't already!) . I recently had the pleasure of interviewing Milana... really grilling her, on all the super powerful advice she gives to the her clients every day. Milana's clients range in scope from writers, to executive business consultants, to success coaches and small business consultants. Service professionals who are coming onto the net to expand their businesses and reach a wider audience...and, yes! Earn a large income by doing so! Milana, herself, is a coaching and consulting professional with years of net experience. So, who better to teach, coach and guides others in the same line of work onto the web!. Oh wow! Honor, I really like all the questions you asked in this interview. They are direct and right to the point. I specifically like the part where Milana distinguished what's different between direct response marketing and attraction marketing. She also clarified for me what type of product I would consider as direct response marketing. For all of you who plan to create any type of

subscription website and/or services that cost above \$60.00 you really want to purchase this report.

There is real distinction in marketing behavior between products and services. There are a whole lot more you covered but those above are real gems to me. Kim Thomas kim-thomas "YES! You Can Expand Your Professional Coaching and Consulting Business On The Web!" is a audio ebook you can listen to and learn from while Milana unveils her secrets to her own rapid success on the net. Listen to Milana's words of wisdom as she explains, in detail, the steps every service professional must take to get on the web and into profit in today's digital world! Read the interview transcript and be amazed at how a woman of determination and action quickly became so established and noted as an expert that people were knocking down her cyber door to get her assistant and coaching! PLUS....you'll get specific information and insight to bring YOUR professional coaching or consulting business online, today! Learn: The new strategies, technologies and marketing approaches that are specific to coaching and consulting professionals How to develop multiple streams of income from your own personal knowledge and expertise When to use Direct Response Marketing and when it's better to rely on Attraction/Relationship Marketing to woo the client and get the contract The one secret tool that you must use to help your potential client's get to know you and, then, be sure to pick you as their coach or consultant! Important strategies for marketing your particular area of expertise and knowledge How to use joint ventures to increase your credibility and reach new and potential clients The basics of multiple web sites and single sites to sell your services and products Branding tactics and tips that make sure you are remembered on the web The one marketing technique that is natural for coaches and consultants to use to gain new clients How to use emerging web technologies to enhance your presence on the web The characteristics of successful entrepreneurs. Find out if you have what it takes! The one marketing strategy most coaches and consultants don't even know about! Sit down, put on your headset to listen to Milana as she tells all about her success, her strategies and her drive to be a successful business woman on the net. Plus you can read the interview, word by word and thoroughly devour the rich and revealing information as it unfolds before your eyes on your computer screen. Heck, you can even print it out. Mark it up and make notes in the margins. It's your plan to follow to get yourself onto the web and become a global service provider! ----- This is what other's have to say about "YES! You Can Expand Your Professional Coaching and Consulting Business On The Web." Honor! What an encouraging interview! It's so interesting getting some insight into Milana's journey to

success. Having understanding of the time, effort and energy it took to get to where she is really helps to remind me that successful internet marketing is a process, not just a destination. Excellent resources to look at for my own projects as well! This ebook sparked several ideas, one of which I was able to begin working on right away. Thanks for the "shove" in the right direction. Suzanne Knight  
successmasterstv.com I can't remember absorbing so much in-depth information all in one ebook! In this down-to-earth interview, Honor gets to the nitty-gritty with her questions -- and Milana provides the intimate details we usually don't get to hear. Thank you both for such an honest and straightforward resource! I appreciate not having to sift through the usual fluff. Dar Arechederra RatRaceRemedies.com
