Who Else Wants To Take \$7 Report To Build An Empire.... Dear Friend, Anwesh Rath here ! Let me start by asking you a small question! Have you ever wondered that from where exactly these "Gurus" keep coming up with "Hot New " products all the time? Do they really spend \$15,995 on single product and sell it to you for \$47? or they simply are "Super Genius" and have the ability to write their Own book, do the designing, set up the product , manage the digital delivery and yet churn out over 10 products in a weeks time? Both the option doesn't makes much sense Do they? Well not to me at least ! I remember when I first started out (2 years ago) I too had no clue of what exactly I want to sell online! The books , softwares and scripts were TOO Expensive for me and I didn't even know what they are all about. So here's what I did. I sat down with a Pen and a booklet and started jotting down all that I have learnt about marketing in past 23 years of my life [Yes I was 23 years old back in 2007 :) ] and started googling for matter and finally came up with my own product .. A Book by the name "Sell Shovels to Beat Gold miners". You might have heard about this type of name but trust me when I wrote the book there was NO EBOOK on this topic (now you find tons ... are you getting the hint?) . I have to confess that I am NO "REAL" Author. I mean I don't even know how to define a professional author ! On top of that I am from a Non English Speaking country ( My Wonderful Home land INDIA). So I wrote something I believed in and submitted my book in a giveaway event. I got some subscribers and started my business from there! So No "Rags to Riches" stories here because I am NOT from an extremely poor family or anything like that . My Parents are in Govt. services and am from a reasonably well to do family. Now You might be thinking "So What The Hell Am I Suppose to Do Anwesh?" . Perfect question and I completely understand what you're saying. So let me get to the point real quick. So until few weeks back I thought my books forgotten and no one would even opt in for that book and I changed my opt in incentive gifts and forgot. To my utter surprise , I received an email from one of my readers who appreciated my work and he mentioned about the content and also mentioned how much he gained from the concepts in that book.... till here it was all cool.... but when this guy mentioned about the "Price" (WHAT???) and said that \$4.97 is so low and why don't I increase the price I was completely shocked! Hey .. I NEVER SOLD THAT BOOK FOR EVEN A

PENNY... It was always an opt in incentive. So I googled real quick and figured that that book is being sold in Amazon and few other market places. I was thrilled. I kept on reading his letter and the guy mentioned about 3 other books where he found the same concepts in EXACT SAME WORDS and they were published few months ago! Here's a screen shot of what I got when I googled the name of my book So I realized that how can just anyone become popular and rich by selling someone else's stuff in a perfectly LEGAL Manner! Well you get to learn and see much about this in my latest EBook for which you are here! Presenting This guide will show you how exactly you can start making money within few days by just recycling some one else's work (some one like me who rote a book when he was complete newbie in the industry or some one experienced ..like a ghost writer or something). Grab your copy now because I cant give away this information for free for very long! Why on earth is this information available for Free Anwesh? I will be totally honest here! I don't have a Video series of the information I have in there and trust me I AM NO BIG SHOT who can sell an Ebook for \$97 or so. Yes I can easily sell for \$17 or \$27 or something like that but I won't. I want to get your Feedback on this first and then I will see what I can do to improve the content or I will realize what I have missed out on and I will include it in my next product (Book or Video series or tutorial or something like that) So please feel free to drop your comments and that's all I want from you in return for this invaluable information that I am giving away for free to you today!
