t's NOT about spamming the search engines with 1000s of pages of crap! It's NOT about spending an arm and a leg with Google Adwords only to wake up the next morning to find out that you didn't make a single sale! It's NOT about buying links from "link brokers" or "link farms"! It's NOT about "WEB 2.0", "Social Bookmarking" or whatever the new flavor of the day is! It's NOT about using classified ad sites to "get your offer in there"! It's NOT about spending all day writing articles hoping that "someone" will "pick them up" and send you some visitors! It's NOT about begging Joint Venture partners to "blast your offer" or having thousands of clueless affiliates who won't make a single sale! It's NOT about Blogs, Wordpress Plugins or any method that requires you to be technical It IS for YOU if you want to start getting traffic to your site in as little as 24 hours (I designed this system for myself first and foremost, because I get very impatient at times) It IS for YOU if you are sick and tired of all the changes in the Google algorithms and "Google Slaps" It IS for YOU if you are lazy or too busy to "babysit" your traffic method It IS for YOU if you are short on cash and don't want to gamble with your money. With this system, you will be making money before you actually pay anything (and again, this has got nothing to do with affiliates or Joint Venture partners) Tags: pay, web
