Dear Friend, You are paying too much of your hard earned money for virtually everything you buy for yourself and your home. It seems as if the price of everything has gone sky high, doesn't it? Have you been trying to economize by staying out of the mall? Well, guess what? You don't have to deny yourself the nice things you want any longer. Clothes, shoes, jewelry, books, cosmetics, towels and sheets, toys for the kids, electronics all the things that make the world a little nicer place to be can be yours for much less than you have been paying for them. I'm going to tell you how you can get the same new, name brand, quality merchandise that you see whenever you go shopping at a huge savings... sometimes for as much as 90% off the normal retail price. And I'm going to explain how you can purchase these items while you are relaxing comfortably at home... at 2 AM if you so desire! Then, in a few days, your selections will be efficiently delivered right to your front door. That's right! No fighting traffic on the freeway to get to the mall no crowds of people to deal with after you get there! No bored sales clerks who are unable or unwilling to answer any questions you may have about the item you're looking for. No picked-over racks of clothing or shoes no out of stock DVDs or video games! Your shopping mall will be contained in that small glowing box on your desk your computer!
