Offline Fortune (RR) Earn Big Bucks With Everyday Knowledge You Take For Granted Step By Step System Reveals Methods For Huge Profit From Your Knowledge Even In The Depths Of Recession Dear marketer, Do you find the online marketplace difficult to do business in? Or would you like to find another almost untapped stream of income? One which will pay top dollar for all that information sat in your head from your time as an Internet Marketer? With the entire global economy in recession, companies all over the world are desperately searching for ways to stay in business. They are screaming out for help to find new customers, to reduce their costs and to increase their profits. With more and more companies folding every single day, this information is of vital importance to them and something they will pay top dollar for. Did you realise that in your head is information is what these companies are after? Offline companies are finally waking up to the Internet revolution and realising that the Internet can help them compete on a national and even international market without having to take the risk of expanding their business. Because of this, they are looking for experts to show them how to use the Internet to the benefit of their business. But the question is, how do you step into this role and take advantage of this business opportunity? You Are An E-Commerce Consultant! The answer is this brand new video program, Offline Fortunes. This step by step program has been specially created to show you how you can profit from the offline marketing revolution. With companies near you waking up every day to the power of the Internet, they are clamouring for someone like you to come in and show them how to make money from the Internet. The trouble is, they dont know how to do this. They create a website, often paying thousands of dollars more than they need to and then realise that the Internet isnt as easy as they thought. Their site is poorly optimized, slow to load and often doesnt rank in the search engines. Web designers, whilst able to create a website, often do not understand the basics of SEO. Anyone who can walk into one of these companies and show them how to increase their profits using the Internet will have them eating out of their hand! The great thing is, the Offline Fortunes program will show you exactly how you can do this! It doesnt matter whether you are a veteran marketer or relatively new on the scene, you can easily have the skills to help these companies make money online and so make money yourself! Fortune 100 Consultant

Reveals ... As a consultant to companies in the Fortune 100 in a previous career, I have worked with a lot of offline companies and know exactly what they want. Having created highly profitable websites and services for these companies, I know what they are looking for. And all this information, and more, is in the Offline Fortunes program. It has been designed to not only show you how to make money offline but to help you understand how offline companies work so that you can make some serious profits! Many marketers would go in to an offline company and attempt to sell a service. The Offline Fortunes program shows you this is not the way and there is a way by which you can not only sell a single service, but sell again and again and generate fantastic streams of passive income. In fact, it isn't even selling at all when it comes down to it! This program is jam pack full of information designed to help you set yourself up as a successful offline marketer. * Learn how to sell without selling and increase your sign up rates * Find out the 6 things offline companies desperately want and how you can provide it * Discover 3 profitable business models you can use out of the box in offline marketing

Can I Really Be An Offline Marketer?

Absolutely, yes you can. Offline marketing is literally a goldmine for the savvy marketer. Yes, there is a recession going on, but so many of these companies are folding that those that are left are looking for any way to increase their profits whilst reducing their costs. And this is where the Internet (and you) come in. If you can get these companies online and share the knowledge in your head that you take for granted you will help these companies to increase their profits and share it with you! These companies are desperate for someone to come along and show them how to do it, or even better, do it for them! Someone who isn't going to scam them, over charge them or rip them off. The savvy offline marketers are quietly making a small fortune every month just by dealing with companies in their local area.
