Making money is not as hard as you think. You must focus, of course, and make the decision that you are not going to sit on your couch, waiting for the money to start rolling magically into your bank account. It does not work that way. What You Will Need! Desire you must have an intense desire to do what needs to be done to make money! Vision you must be able to see what you will do with the money once you have earned it! Action you must take action to make things happen. Invest money will only help you make more money. At first you may have to use credit to put yourself into positive cash flow, but do it very judiciously. Completion finish what you have started. It is way too easy to start projects, but finishing them is also vital! Where To Begin First you have to invest some money in yourself and get Easy Desktop Traffic and Easy Button Marketer. Lets start with the Easy Desktop Traffic, because you only need one client to pay for the software. EasyDesktopTraffic.com It allows you to send videos, articles and press releases to multiple websites to help you generate traffic for your clients. Easy Button Marketer gives you push button access to many Internet Marketing tasks. You can use it to make lots of tasks that would be so tedious much simpler by allowing your system to do the work for you. You can get Easy Button Marketer for much less than Easy Desktop Traffic while making some good money performing tasks for other people. You can get Easy Button Marketer at: EasyButtonMarketer.com Become familiar with the two products. Figure out what tasks you can charge business owners to do for them. Getting Clients You go through your phone book and find 10 local businesses with websites. Send them a letter explaining how you can help them get hundreds more visitors to their websites per day through the use of video, articles and press releases. Tell them that you are able to do this for less than the cost of an advertisement in the local newspaper for a month, and that you can guarantee them results or you will keep doing it until they get the results that they want.
