Right about now is usually where most slick talking Internet marketing salesmen would go into how many months it took them to create this incredible resource, and how much money they spent creating it, and ask you how much you think you should pay for such an incredible piece ebook. They would ask something like, is \$197 to much for a complete guide that will have you earning way more than you now do working your day job. thousand times if you've been on the Internet very long. But I will be perfectly honest. I don't like those kind of sales tactics, anymore than you probably do so I'm not going to beat around the bush. Tags: mrr
