Magic Formula Minisites..... I know you're tired of all the hype online about how to make money doing this or that. Frankly, I'm tired of it also. That's why I've written "Magic Formula Mini Sites". I want to teach you how YOU can very easily make multiple streams of income in ANY market using simple mini sites. What is a mini site? Simply put, a mini site is a 1-5 page site tightly focused on one topic. It can be on any topic that you can possibly think of. That's why making money with mini sites is so easy. "Magic Formula Mini Sites", is not a magic formula for instant profits. No one can give you that. If they say they can, then email them and tell them that they are a liar! "Magic Formula Mini Sites" WILL show you: \* Exactly what a mini site is, and give you FREE resources to show you how to build them. This will get you started quickly on your way to profits. \* I'll take you by the hand and show you the different types of mini sites, and how you can use them to profit from whatever you want to promote. \* You'll get several detailed ways to promote your mini site. How many other ebooks out there tell you EXACTLY how to promote your mini site? \* You'll also learn how to do search engine optimization on your mini site and reap the rewards of tons of free traffic. \* Learn how you can use nothing but affiliate programs on your mini sites, and earn MORE than a full time income! \* I'll also share one of the biggest secrets about mini sites, and how you could make \$10,000 each month or MORE just like the "big boys" do! Until I realized that there was NO magic formula for building an incredible income online, I was throwing tons of money away trying to BUY the formula. Does that sound familiar to you? I've saved you all the time and money that I wasted, and have put together one of the greatest formulas for making a full time income online. Just a few hours, and you could be in an instant money making business! Sound too easy? Well, it is once you read Magic Formula Mini Sites Let's get right to it. For a limited time I am pricing "Magic Formula Mini Sites" at only \$17. Why am I doing this? Because I want YOU to succeed and make money with mini sites just like I have! \$17 is affordable to just about anyone, and that's why we've priced Magic Formula Mini Sites so low. Don't be fooled by the price though. This is a 40 page guide that will take you by the hand and show you step by step EXACTLY how to start profiting with mini sites right now! I'm not going to pile on a bunch of useless bonuses, but I am going to give you one more thing For the first mini site you build, I will give

you a free email consultation. Once you have read this guide and built your first mini site, I will critique your site, and give you my advice on how to make it more profitable. Now who else gives you that? This Product Comes With Full Master Resale Rights.
