The Octopus Blog Method..95+ pages, packed with great SEO information. How To Create Massive 6-Figure Blogs In 6 Months Or Less The foundation is SEO (Search Engine Optimization) best practices and the difference-maker is a little bit of Octoblog Secret Sauce! I have taken the effective methods used by experts and cleverly combined them, resulting in a SEO POWER FORMULA that your competitors are just not using. Youll be getting: Ideology Im not just going to tell you to do something blindly. Youre going to hear the theory behind it. Not only will this will save you hundreds of hours and dollars trying to collect and learn all of this information, but you will also know WHY you're doing it, which is even more important than knowing WHAT to do! Methods I give the exact methods for setting up the blog. I get into EVERY LAST DETAIL. Here are some of the topics I will be discussing: Exactly how to do correct keyword and market research that will attract a massive swarm of highly targeted traffic that is ready to take ACTION. How to apply intricate "blog setup" strategies so you give yourself the best chance to rank in the search engines. How to do optimal "Internal Linking" and "Outbound Linking" so you make Google see you as an "authority site." How to do proper copywriting, tracking, and testing so you squeeze every last cent out of each visitor. How to use cutting-edge article marketing strategies to explode your traffic and send super-valuable "link juice" to your pages without leaving a massive footprint! How to engage in OPTIMAL "backlinking" to skyrocket your ability to dominate Google's first page and drastically improve your chances of success. These tips alone will save you countless hours and loads of money. Specifically, I'll be showing you how to rank in top spots for competive keywords, dominate entire pages of SERPS, increase your CTR, and score badass DOUBLE LISTINGS!! How to take advantage of the amazing built-in advantage with this method, giving you a HUGE leg-up on your competition. How to expand your blog so you can crank up your traffic, increase your PageRank, and ultimately explode your income. And much more! Tools and Resources Nothing in the business world can be accomplished all on your own. To get this project done, you will need the right resources. I provide links to necessary software, outsourcing, and learning resources so you can spend your valuable time implementing instead of hunting these tools down. I also cite my sources when I make claims, incase you want to learn it from the

horses mouth. Action Checklist I know it can be a pain to re-read the book and try to remember everything you need to do. So I cut out the guesswork for you and provided a handy checklist. Its A Fresh Idea Im not going to say all my ideas are original. If somebody says that, laugh at them. But my compilation of some of the most valued IM information from some of the most respected IM sources has produced a fresh idea that you may not have considered before. Unless you are a stone wall, you should get a BOOST OF EXCITEMENT from the ideas put forth in this report. Valuable Nuggets of Tips and Tricks This report is loaded with them.
