I've scoured my way through the complicated Google documentation, and searched for all the hidden secret tips I can find. I've even tried out the Google Places options, just to make sure I know the ones that work best. And, I'm making the results of my long hours and sleepless nights available to you in this new report. It's called Google Places Goliath, and this report shows you, step-by-step, how to get your business listed on Google Places - and how to harness the power of Google to bring customers to your door. Here's what you'll discover when you purchase your copy now... The 10 reasons why you need to be using Google Places (I'd bet you your competition don't know more than one or two of these - and I'd be surprised if they know any!) * The exact information you need to get approved by Google and how to find it... save yourself hours of research to get your business accepted into this prominent free publicity machine * How to build up trust with your customers through Google Places - this tip alone is vital if you want to operate a thriving business in the modern day world * Exactly how to get your business 'on the map' - literally! Get your business landmarked on Google Maps, so that customers in the local area can't help but know about the service you are offering them * The secret technique you need to know to get your customers to rave about your business online... apply just this single tactic and watch the floodgates open * 10 other directories you can list your business in for nothing, and which all have a knock-on positive effect on Google Places * And much more... 50 Pages Readymade sales page is included with this product, additional relevant product materials such as sales graphics, product eCover, editable .psd files, Wordpress theme, adsense niche site and etc may included with the product.
