Stop Spending Money On Hit-or-Miss Advertising Methods That Don't Deliver... It's Time You Made The Call And RELEASED The Most Powerful traffic Force On Earth!... ..So POWERFUL That You Could NOT Stop It EVEN If You Tried! Regardless of what product or service you are selling, its been proven that the more visitors you get to come to your website, the higher your sales will be. The trick is, you have to get customers to visit! There are millions of websites all trying to catch the customers eyes, but only a handful ever get more than a small stream of visitors. Some websites sit for months waiting for customers that will never show. Without customers, they eventually fade away. To be truly profitable, you need visitors, and a lot of them. The more visitors you get, the more you make money online. There are really only two things you need to do to bring a flood of visitors to your website. You have to give them a reason to want to come to your site, and you have to make them excited enough to get the word out to as many other people as possible. Many people neglect the power of viral marketing because they have this misconception that it yields very little at the start. They feel that they would rather promote their products by themselves rather than share the product with other resellers. The power of exponential growth tells us that you will become a millionaire after almost 30 days! (2 to the power of 30!) Whether you are getting one new subscriber a day or one sale a day, you will be able to generate lots of traffic just by viral marketing alone! - Now to be realistic, even with the UNLIMITED growth potential on the Internet business, there will come a time where there is a saturation point. But it still doesnt dispute the fact that there are millions of customers (and many resellers) that will market for you and expand your efforts FOR YOU! It is always a good idea to build several internet marketing channels. That way, even when your viral campaign starts to slow down (due to saturation), you will still be able to leverage on many channels and build your list or your affiliate commissions. But that's just the beginning... Viral Marketing Frenzy This quick-read, lay-it-on-the-line guide gives you all the basics to help you get your viral campaign rolling. It covers things like: \* 7 techniques for finding out exactly what your customers are looking for - give them what they want and they'll be eager to share your product with their friends! \* 6 fun ways to get your readers to do your advertising work for you - and how rewarding them doesn't have to cost you a dime! \*

How to use a bestseller list to get the word out about your product or service - even if there isn't a list around, and even if you're not on it. \* How to take advantage of social networks - learn which ones work for viral campaigns, and which to stay away from. \* How even free products can earn you money - choose from a variety of models to monetize your viral campaign, and watch the money roll in along with the traffic! \* Free products are the key to every successful viral campaign. Free information, free software, or just free entertainment. The important thing is that it's free for your users to enjoy. In this eBook we'll cover exactly how you can take your free product and turn it into the centerpiece of your viral campaign. \* How to find out exactly what content your customers want and need. Don't just guess what they want to hear! When you know for sure what your potential customers are looking for, it's easy to build a viral marketing plan that will give them what they're looking for, and make more sales for you! \* How to promote your product for maximum effectiveness. Getting the word out in the right places is imperative to your success, so you don't want to waste time and effort on ineffective techniques that won't make you any sales. 176 Pages
