Sell an in-demand product and keep 100 of the profits! In spite of my initial reservations I've decided that, for a limited time only, I am releasing exclusive FULL Master Resell Rights to Hyper Viral Pages Software! That's right. This means: * No need

to create your own product from scratch, * No need to spend TONS of time on market research (demand's already there), * And no need to carefully craft your own marketing materials! (it's all been done for you) You'll get exclusive rights to the Hyper Viral Pages Software instantly (no waiting needed), and you can be in business in the next 2 hours. Given all the necessary and painstaking work such as copywriting, graphic designing, writing of marketing materials, and product development have already been done for you, you just need to set up and start marketing for maximum profits. Here is a list of what's in store for you... You Get The FULL MASTER RESELL RIGHTS To: "Hyper Viral Pages Software" This product sells for \$15 and \$37.00 (depending on the license type), and with the Full Master Resell Rights to this product acquired, you too can be selling this product for \$15 and \$37 per pop! This is obviously better than marketing as an affiliate, because you are keeping LITERALLY ALL the sales and you're NOT obliged to share a single cent of profits with me or anyone else! Here's everything you'll get inside your reseller kit... Hyper Viral Pages Software access codes, Professionally written top-converting sales letter, Professionally written resell rights sales letter, Professionally written one-time offer page, Professionally-designed graphics, Thank you page where you can give access to your customers and make back-end sales, Legal pages that you need to stay on the safe side, Affiliate center with pre-made promo tools so affiliates can super-easily promote YOUR product! Persuasive marketing emails to get visitors to your site and easily sell the product! It's like a shake and bake - just set them up and you'll be in business in even the next 2 hours. As the product has been carefully created to cater to an existing hungry demand, you don't have to worry about profitability in demand! Here's what you can do with the Full Master Resell Rights to my product: * You can sell and keep 100 of the profits. * You can bundle the product into a paid package and sell at a higher price. * You can add the product into a paid membership site. * Your customers can also in turn resell the product and keep the profits to themselves. * You can edit the marketing materials, sales letters, landing page, and thank you page.
