The Big Book Of Home Business - Lead Generation Methods MRR Ebook with Giveaway Rights Number of Pages - 100 The Indispensable Networkers Guide To Home Based Business Building Strategies This book will serve as an indispensable guide to learning about the concept behind how people generate endless leads for their home based businesses. Any networker should know this by now leads are your life line. When you are cut from your source of leads, your business will be a sinking ship and you will die a natural death. It doesnt matter how motivated you are or how pumped up you are after a meeting or a rally you need a large source of leads because traffic is KING. This is the reason why this big book is written. Granted, Im not able to cover every single lead generation method in vivid detail because of the nature of the Internet it is constantly changing and evolving and newer, more updated strategies are available. However, this book will serve as a compendium for general lead generation strategies, both Online and Offline! This book will talk about: - 15 offline strategies, everything from cold calling to social gatherings - 27 online strategies, everything from blogging to pay-per-click advertising Once you understand the concepts and the functions of each strategy, all you need to do is to Google it and you will find the practical methods for it because there is nothing you cant find on Google. So let this book open your mind and expose you to the right concepts. This way, you wont be shooting in the dark. The Big Book Of Home Business - Lead Generation Methods with Master Resale Rights
