Discover How To Quickly & Easily Maximize Your Email Opt-Ins, Have Your Visitors Tell You Exactly What They Want To Buy From You - And - How To Create Great-Looking Minisites With Surprising Ease... Hi, Im Louis Allport, How would you like to have a brand new Squeeze Page on your website and collecting email addresses for you... in the next 30 minutes? That is what Id like to show you -- how to create a fully functional Squeeze Page, create a minisite for it, and have everything online in 30 minutes flat. Well, perhaps an hour if you prefer to work at a more leisurely pace. :-) Squeeze pages dont have to be difficult to create ... even if you dont consider yourself technical in the least, but are comfortable using the basic features of software like FrontPage or DreamWeaver (or even free software like Nvu and Composer) thats all you need. It really can be a cinch to create fantastic looking Squeeze Pages. And thats not all... Want Easy Money? Heres the formula to getting the easy money online: Sell your visitors EXACTLY what they want to buy. Sounds simple right? And it can be. Im going to show you how to put together great-looking and VERY EFFECTIVE survey pages in less than an hour. These special survey pages will get your visitors sending you information on EXACTLY what they want to spend money on, right into your inbox. And once you have this info, the faster you can turn the survey answers you receive into a product your visitors WANT to buy from you, the sooner and the bigger youll cash in. Why do you think million dollar marketers online ... even billion dollar companies like Microsoft SURVEY their customers? Because it helps make them a LOT more money. I reveal exactly how to surprisingly quickly and easily create Squeeze Pages and Survey Pages to boost your profits online -- and how you can have these pages online in the next 60 minutes from right now! These deceptively powerful tactics come in the form of five videos you view directly at your computer. Ive called this set of coaching videos Instant Squeeze Page Mastery: These five videos come to a total playing time of 88 minutes. Heres what each video is about: - Video One (12 Minutes) The first video in this series talks you through a detailed introduction of Squeeze Pages and Survey Pages, and also talks you through a number of very successful examples. - Video Two (16 Minutes) Here youll discover a remarkably quick and easy way to build great looking and fully functional minisites in less than 20 minutes! These are the exact minisite

building tactics a surprising number of millionaire marketers use every day. - Video Three (19 Minutes)
This video will talk you through in detail how to create a Squeeze Page step-by-step, and it will also talk you through the advanced website building functionality of the popular Aweber system so that you can create a brand new Squeeze Page in less than two minutes - plus - you'll discover an amazingly easy way to boost your email opt-ins. - Video Four (14 Minutes) Here I talk you through how to create Squeeze Pages using the popular Get Response email management service and how to fix the issues the Get Response system can add to your website. - Video Five (27 Minutes) Here I'll talk you through exactly how to build a survey page that sucks all the information you want from your visitors. And importantly - these survey pages are fully under your control and on your website (unlike all the survey services out there) and I'll show you how to get every single response sent straight to your email inbox. For PCs Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PCs. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it.
