

Softwarepaks Payment Linker Link Items To Your Paypal Account - *w/*

[DOWNLOAD HERE](#)

Easily Create Paypal Links! Dear Friend, Payment Linker will create a custom payment link that can simply be copied and pasted into an email or a web site! When it is clicked on, the user will be taken to PayPal to make the specified payment. A real time-saver for you or your customers! The Payment Linker will also remember the information that you entered before so you dont have to keep typing it in each time you need a PayPal link created. Payment Linker is truley handy tool for those who often request payment from others in an email or from a web site. The Payment Linker was made as a tool to be given away as a web site promotional tool, but it also has great resell value. Note: If you use Payment Linker for creating links for your website, for security, we recommend that you Encrypt your links to prevent your products from being accessed without payment! SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Payment Linker and keep 100 \$\$\$ of the profits! Youll even get a copy of this sales page which you can easily customize!
