Standup Comedy + Gift Has Anyone Ever Told You That You Could Be A Stand-Up Comedian? Dear Friend, Well, heres your chance to try it out for size. Just think, you are making jokes and everyone is laughing. As you were growing up, you kept your friends, family and classmates in stitches. They would fall over whenever you told a joke. They couldnt get enough of them and always wanted you to keep them supplied with more. Then it dawned on you if you could do that with just familiar faces, what says that you couldnt do it with complete strangers? Then, an idea was born being a stand-up comedian! Youve always excelled in making people laugh. Now you were looking at bigger and better things for yourself. With this report, Stand-up Comedy (The Secret to Becoming a Successful Comedian!), you will be able to learn the tricks of the trade. Stand-up comedy is a great way to get noticed by others. It is a different kind of comedic adventure. Stand-up comedians get a kick out of performing for a live audience. The focus is to get their audience to laugh at their jokes and other material. There have been many famous comedians who have started out in stand-up comedy and have excelled big time with television sitcoms and movies. In order to be a successful stand-up comedian, you have to know how to make audiences like your material so that they will enjoy your show. If you dont satisfy them, you will know about it. Making people laugh is not always easy... But if you have that gift, you should expound on it! Laughter is great for the soul, body and mind. It is a way to channel those sad emotions to happy emotions. On the other hand, stand-up comedy is not the easiest thing to master. It is very important that the audience is quickly receptive to the comedians material. Stand-up comedians usually relegate themselves to one man or woman shows. However, there are times when they will have an opening act. Stand-up comedians go through great strides to deliver material and jokes that will make their audience laugh. If they dont, they will be ridiculed and heckled by some in the audience. They can overcome that and win back the audience. They also win over their audience by not working so much on their own feelings, but making amends in order to please the audience. In this report, you will discover: Why you need to know why style of comedy will fit you Why you should go and see other comedians perform Why you should connect with your personal life when looking for material and jokes Four kinds of jokes you can test out The purpose of

practicing your comedy routine One of the first places to go to test out your material What to do if you dont feel up to par with jokes and material you have written Why you should talk to other people in the industry What you need in order to start writing stand-up jokes The one thing to tell friends and family members when practicing your material in front of them And Much More!
