Lose Weight Without Starving Yourself "Tired of Trying To Loose Weight And It Never Works or You Have To Starve Yourself Well Here's A Weight Loss Plan That takes Care of Your Weight Problem And You Can Still Eat!" In This Book, Youll Learn How To Lose Weight And Not Feel Hungry! In An Easy Step-By-Step Process That Enables You To Feel Good About Loosing Weight As Well As Feeling Good Because Your Stomach Is Still Full! According to recent surveys done, over 66 percent of Americans age 20 and over are overweight by at least 20 pounds. Obesity is at an all time high as America becomes the fattest nation on the face of the earth! If youre like me, you think thats troubling! Most of us could stand to lose a few pounds, or at the very least start down the road to a healthier lifestyle. We have become a nation dependent on fast food chains and quick-fix pre-packaged foods in order to accommodate our busy lifestyles. If youve found yourself with a couple of spare tires around your mid-section, you probably know you should go on a diet. But you dread doing that because you dont want to have those hunger pangs that you think inevitably come with diets and weight loss. Change Your Thinking Today... You dont have to be hungry when you diet. In fact, you might find yourself enjoying the kinds of foods you never thought you could while on a weight loss program and never feel like youre starving yourself. How can you do that? By Buying This Book! Ive been given exclusive access to an amazing new book that can unlock the mystery behind dieting, losing weight, and never feeling hungry while youre doing so! Its titled, Losing Weight Without Starving Yourself and Im offering it to you right now! I couldnt believe it either. Ive been through the gamut of fad diets, those fat burning pills that promise to take off 20 pounds in just 3 days....you name it, Ive done it when it comes to weight loss. The problem was that nothing worked - none of it. And then I read this book! Inside these pages is a wealth of information about losing weight and still feeling like youre cheating on your diet. What can you find? Information about metabolism and why it controls your weight loss Putting yourself into the right mindset to lose weight What foods you can eat What foods you CANT eat How to shop for the right foods And much, much more! This book takes the advice of nutritionists, diet experts, and even the Mayo Clinic to offer YOU the best advice around on how to lose weight and not feel hungry in the process. After all, thats why most people hate the thought of

dieting. Some people think that eating salads every day is the only way to lose weight. Well, its a good start, but, really, truly, how long do you think it will take before you dread the mere sight of a lettuce leaf? The truth is that salads alone just cant satisfy the needs of the average person. Itll work for a while, but you run the risk of falling hopelessly off your diet and quickly at that! Believe it or not, You Can Enjoy Regular Food And Still Lose Weight! Its true! I didnt think so either until I read this book! The secret to losing weight without starving yourself is right here inside these pages. Plus it gives you some excellent advice on what foods you should eat, portion sizes, number of meals and exercise regimens. In fact, you will read about A great fat burning exercise workout Toning exercises Exercise to banish cellulite Walking for weight loss And other forms of exercise to help you along! When there are over fifty percent of our fellow Americans who are out there struggling with their weight, theres really no reason NOT to buy this book. Weight loss remedies bombard us on a daily basis. Its difficult to open up a magazine or watch a television program without seeing an advertisement or commercial for the next great thing in weight loss. Do they work? Read This Book And Find Out! Shedding those extra pounds is no easy task. It takes determination, willpower, and a little work. How do you do that? By being committed to your health and your weight loss goals. But first, you need the tools. There are so many people out there who want to give you weight loss advice. How many times have you heard these statements: Drink lots of water Try the Cabbage Soup diet Im off carbs and it works great! Only eat dinner and use those weight loss shakes in between Some of this advice is fine, but its the rest of it you have to look out for! The truth is that you have to figure out whats right for you and what your body will respond to when it comes to your weight loss goals. This book is an excellent way to start! What I liked best about the information this book gives you is the tools you are given to help you along the way. What kind of tools are there? A chart outlining the caloric content of certain foods How many calories you can burn during specific activities Over 15 delicious recipes for weight loss You dont have to spend hours counting calories anymore. Just follow the advice in this book, and you will lose weight. But you have to be serious about it! Comes wiyh PLR, salesletter + graphics. Tags: plr, resell rights
