Insider's Secrets To Raising Healthy Koi Who Else Wants To Know How To Learn How to Care & Improve The Health of Your Koi Fish in 7 Days (Or Less) If you've been thinking about raising koi, but procrastinating because you thought they were too difficult to take care of, think again. Maybe you hesitated because you really didn't know where to start. Or maybe you've never kept fish before and thought you should begin with "starter" fish. I'm here to tell you right now that if it's koi you want in your aquarium or pond, then it's koi you should have. Don't let anyone talk you out of it. These amazing fish are among the most beautiful alive. They provide hours of entertainment and joy, and create an abundance of naturally calming emotions. They're not just for show; you can use them to help rest your tired, tangled nerves after a hard day at work. You may be interested to know that you're not alone in your admiration of these amazingly colorful fish. The koi -- or as they say in Japan nishikigoi (meaning "colored koi") -- are the most popular freshwater fish for pond owners. And with good reason. Just gaze at their grace, beauty, and colors, even for a short time. You'll soon discover that it's difficult not to fall in love with this one-of-a-kind fish. Would you believe that a creature this beautiful and graceful is also easy to care for? It's true! Once you see how extremely easy these fish are to call your own, you'll be wondering why you didn't start this hobby sooner. And you'll love the fact that koi live a relatively long life (as fish lives go). Here's what you'll discover in Insider's Secrets To Raising Healthy Koi: The Ultimate Guide eBook: *

- * 3 little known, yet simple ways to identifying different koi varieties...
- * 3 proven steps to identifying koi fish diseases...
- * 2 simple keys (that are right in front of your eyes) to bringing your koi fish home...
