incredible online marketing tool that saves you thousands of dollars but provides great business

opportunities in just one click. Blogs are user-friendly, customized and flexible medium for disseminating

useful information for effective positioning of your products in the market. Companies engaging in

business blogging have a definite edge over its competitors. Here are some advantages:

? Word-of-Mouth. In a survey, there are currently 14 million blogs with 80,000 more being added each

day and about 30 percent of the 50 million users are blog readers. Imagine how much gain your company

will have, if your products are advertised through blogs. With Internet, information spreads so quickly

especially if an impressive write-up goes with your product. Soon your blogs will be passed on to

hundreds of possible customers. ? Awareness and loyalty. Open communication with your customers

creates trust and loyalty among them. Being there to respond to their questions and comments make

them all the more willing to try your products and services. ? Feedback. Blogs..... (Whole Article is 837
