However, it is only the beginning. Contrary to popular opinion, people will not come just because you built it. Part of the reason for that set of circumstances is that no one is likely to visit a web site that they do not know exists. So, after you have put together the most spectacular, intuitive, and fun to browse web site, the time has come to get busy and find ways to generate the traffic to your little corner of the Internet. The good news is that there are many options when it comes to the task of driving traffic to your site. While many of the strategies involve online methods, there are also some offline effective procedures that will also lead to more hits and thus increase the chances of making a sale. Here are some tips on creating a comprehensive battle plan to publicize your site and generate interest that will result in making your online presence a successful venture. + YOUR SPECIAL RELATED EBOOK GIFT ----- Measuring Internet Marketing - Ian Lurie ----- Advertising exists to help you make money. Thats it. There are no moral victories in marketing. Chances are, you already know this, and you are pretty careful about any print or other traditional advertising you purchase - if you dont see a clear upside from this or that advertising asset, its gone. But do you do the same with your Internet marketing? Internet advertising is growing fast - companies that do no other advertising are using outlets such as Google Adwords, banner ads or search engine optimization to try to build sales. Youre probably using some form of internet advertising - at a minimum, you have a web site. You need to track the return on investment of Internet advertising every bit as carefully as other media. Most companies dont - thats the bad news. The good news is that its far, far easier to measure the effectiveness of individual Internet assets. A quick clarification: As we continue, youll see me use marketing and advertising a lot. To me, marketing is the

strategic work that drives your overall advertising strategy. Advertising is the act of purchasing individual assets to enable your marketing strategy. ----- Setting Up Your First Business Website + Related Ebook Gift ----- How do I build a website? is one of the most common recurring questions you shouldn't be surprised to hear from the Internet newbie crowd. Programmers and teenagers who grow up on computers might laugh or scoff at this but truth of the matter is that this is a highly under-met demand. And technical geek books fail to deliver in layman terms. As a smart Internet Entrepreneur, this is your chance to tap into the Internet newbie market with this Special Report that holds the answers to Setting Up Your First Business Website - this speedy guide covers and answers questions Internet newbies often have where building their first website is concerned. + YOUR SPECIAL RELATED EBOOK GIFT ----- How To Make Money Online ----- This is a simple guide of a few ways that you can easily make money using the Internet. Whether you just want an extra couple of hundred every week or if you want to make thousands every day, using these methods can help you. Many people (including myself) make thousands every day using the methods I am going to tell you. ----- Internet Marketing Basics For Newbies + Special Ebook Gift ----- Marketing has always been an exciting profession. There is the challenge of coming up with new and creative ways to catch the attention of the public, hold that attention long enough to build up enthusiasm for a product line, and then motivate consumers to take that final step and purchase the good or service. Over the last decade, the concept of Internet marketing has taken on a new prominence in the scheme of promoting goods and services. Originally seen as more or less an adjunct to traditional marketing methods, Internet marketing is now perceived as a legitimate and powerful form of marketing all its own. In many ways, Internet marketing has taken the old rules and rewritten them for a new age. The first guide of the five in the Speed Series, Internet Marketing Basics for Newbies is a must read Special Report for anyone new to the field of E-Commerce. Today wealth is no longer reserved for an elite few and the power of the media is now de-centralized and distributed evenly to the ordinary individual to decide how rich and wealthy they can be! + YOUR SPECIAL RELATED EBOOK GIFT ----- Ten Golden Rules Of Internet Marketing ----- Block everything you know about marketing Test, test and test again Applies for site design, banners, search, email, pricing Apply direct marketing practices 40:40:20 rule Identify control There are no bad ideas PS It is hard work ----- How To Use Words To Sell + Special Related Ebook Gift ----- One of the most powerful tools in your sales arsenal is the informed and judicious use of words and terminology. Words have the ability to entice a prospect,

hold the attention of the potential buyer, and ultimately result in the establishment of a relationship that not only results in a sale today, but helps to create other sales activity in the future. + YOUR SPECIAL RELATED EBOOK GIFT ----- A True Beginners Guide To Internet Marketing ----- How to start and build your own online business even if you have NO MONEY, NO PRODUCT and NO EXPERIENCE! By Matt Henderson

About: Matt Henderson is a successful Internet marketing entrepreneur marketing products directly through pay per click advertising, search engine optimization and the other methods described in this book. President of TrafficMatt, Inc., and owner of MyOnlineSuccess.com, Matt says I am excited by helping complete beginners, just like I was once, to start and build their own internet successful internet marketing business I know that if I can do it, anyone can! love the Internet and the opportunities it creates for nearly anyone to truly succeed. Matt has been featured in the book Internet Riches: The Simple Money-making Secrets of Online Millionaires by Scott Fox and interviewed as one of Commission Junctions Success Stories in June of 2005. Let me ask you a question! If you could have anything you wanted, and I do mean anything... what would it be? Let me tell you a little about myself. My name is Matt Henderson. And just a few years ago, up until 2003, I was an everyday wallpaper hanger. Thats what my dad had done and therefore I just fell into it. But I didnt much like it. But then guess what? Out of nowhere, a good friend of mine (Rusty Johnson) that I hadnt seen in years dropped by my house and told me about his internet marketing business. He talked about the money he was making but he wouldnt say much more than that. However, right before he left he said, If you want to know what it is that I do, then come visit me for a few days in Nashville and Ill show you. Well, I had always dreamed of having more and being able to give my family more but it seemed that wealth had just eluded me for some reason or another. I mean, it wasnt for a lack of trying... thats for sure because God knows that I pretty much tried everything under the sun to make it happen. I tried painting, laying ceramic tile, sheetrock, I even tried trading options in the stock market. And when none of that worked, I delivered newspapers every morning for a year and a half... all the while I was still hanging wallpaper every day. So guess what? I saw the opportunity and I jumped on it. ----- How To Develop Your Own Hot Selling Product + Ebook Gift -----
