"Vision Without Glasses" Secrets Revealed: What is Vision Without Glasses Secrets Revealed? How does it naturally restore your eyesight without surgery? Is this possible? In this ad I am going to give you the facts about Vision Without Glasses Secrets Revealed and how it works. How Vision Without Glasses Secrets Revealed Works: Vision Without Glasses Secrets Revealed - eBook, teaches you a series of eye relaxation exercises that will improve your eyesight. It is based on The Bates Method which is a series of eye exercises developed by ophthalmologist Dr. William H. Bates in the 1880's. Dr. Bates believed that if it is possible to rejoin broken bones, then it must be possible to heal damaged or poor eyesight. Dr. Bates conducted various experiments on his own patients and discovered that eyesight is affected by many factors including stress, eye strain and even diet. He also discovered that in most cases vision could be restored through a program of eye relaxation exercises. Vision without glasses secrets revealed is a method to get rid of glasses and contact lenses without any kind of surgery. For most of us, the eye glasses and contact lenses are uncomfortable and they complicate our lives.
