This is a wonderful children's bonnet pattern from the Edwardian Era. Baby and ladies patterns are more plentiful in these old patterns, so this is a good find if you are a reenactor in need of an authentic child's hood pattern for around 1914. Materials-Eiderdown wool, 2 skeins white, 1 skein blue; 1 celluloid or wooden crochet hook No. 10. There is no gauge given in this old pattern. This republished antique or vintage pattern is in the English language and has been retyped from my old original and proof read by at least two experienced crocheters. The pattern is in an Adobe pdf file that you can view on your computer (Mac or PC) and print with Adobe Reader, which is a free download at adobe Immediate Download! No shipping or handling fees and No Waiting!
