Job Search Engine Script

DOWNLOAD HERE

jobsearchscriptallows you to run your very own job search engine portal similar to indeed.com, simplyhired and others. Some of the main features are: *Grabs results from well known job sites such as monster, yahoo hotjobs, careerbuilder, and others *Ability to search by job type and location *Admin interface to approve/disapprove job listings *Accept job postings from employers *Displays jobs from more than 25 Countries *Adsense Integrated We are currently in the beginning stages of jobsearchscript but the posibilities of improvement are endless. This is your chance to own version 1.0 at an incredible price of \$47. The next version will be released in the near future at a flat price of \$97 so buy it now and receive FREE lifetime upgrades. We will be limiting the amount of licenses for this version at this price so get it while you can.
