If You Aren't Creating and Marketing Videos, You are Missing Out on a HUGE Opportunity Over Half of All Internet Activity Consists of People Watching Videos And Yet Only A Very Small Percentage of Internet Marketers Are Taking Advantage Of This... Video Marketing Secrets Exposed will take you by the hand and show you step-by-step how to easily create and market your own videos and start dominating the search engines today. It's really that simple. Dear Friend, By now you've probably heard that "video marketing" is a big deal. But did you know that creating and submitting your own videos really isn't that difficult? It is not something that is only available to people with tons of money and resources It is within your reach Let me show you just how easy it is. Introducing Video Marketing Secrets Exposed: The Video Series Don't be intimidated by the word "video". Creating one really isn't that difficult. In fact I will even show you how to create a professional looking video using free programs that came with your computer! But the training doesn't stop there, I will show you where and how to submit your video to achieve the maximum effect possible. There is a right way and a wrong way to do video marketing (the wrong way would be spending dozens of hours to create just one video. Let me show you how to do it in less than one). I don't want to see you wasting your time doing things the wrong way, that is why I created this video training series. This Video Series Features: * A Collection of 14 Professionally Recorded Videos-This complete video series will teach you everything you need to know about creating, optimizing, and submitting videos. * The Importance of Video Marketing- Before you actually start video marketing, you need to understand why it is so important. * The Power of Keyword Research- If you aren't creating videos that are focused on specific keywords, you are literally taking a stab in the dark at achieving natural search engine rankings. Let me show you how to perform effective keyword research. * The Components of a Great Video - What your video needs to have for it to be successful. * How to Create a Professional Looking Video with Programs You Already Have on Your Computer- I will take you step-by-step through creating a professional video using programs that you will already have (as long as you have windows running). * How to Create a Professional Looking Video with Professional Programs- I will show you step-by-step how to create a professional video using two fantastic paid programs,

Camtasia and Microsoft Powerpoint. * Where to Submit Your Video- I will show you the best places on the internet where you need to be submitting your videos to get the best outcome. * How to Make a Successful Optimized Video Submission- I will show you exactly what you need to be putting in your submissions to have them optimized, so they can rank well. * How to Automate Your Video Submissions- I will show you what software/programs I recommend for easy video submissions (including one fantastic resource that I personally use that shoots your video to 17 of the top sites for under a dollar a submission!).
