License: Master Resale Rights First of all, you must forget everything anyone ever thought about how complicated playing music is. I compare it to math anxiety Many people fear music and think that it takes a genius to be a good musician. To be a master it might take a genius, but to play songs on the bass guitar, sound good and have a great time is only a lesson or two away! I have been playing and teaching music professionally for many years and was a child piano prodigy myself. I play and teach: piano, guitar, bass, flute and drums. Order NOW!
