And, for a limited time, you also receive Master Resale Rights to this killer report. And do NOT mistaken this report with some of the other "Resale Rights crap" that's out there. This is TOP QUALITY, TOP SECRET info. Act now before I come to my senses! Date: Today Time: 10:10 AM From: George Katsoudas and FBM Dear friend, With your permission, I want to let you in on a very simple way of earning a living on the internet working from home... This method doesn't require you to spend any money and is VERY simple to do. It will not make you a millionaire overnight. But, if you want to work from home and make a decent living in a SAFE manner, then read every single word of this page... But first... Why I decided to finally reveal this blueprint: I receive at least 1-2 emails practically every day that go something like this: Hey George, This is John, one of your subscribers. I'm new to this internet game and I don't have a clue where to start from. I seem to be hearing so many different methods from so many different people... and yet... the more I listen to them, the more confused I become! I really need to start a successful business online... and... I need to do it NOW! I need something simple that I can do in a couple of hours a day. I'm no technical wizard and I still work at my real job... Can you help? Thanks for your time and take care, John PS. And please, don't tell me to "try harder" because that's *exactly* what I've been doing for the last months and I haven't earned a *dime*. That's why I decided to write a special report called "Forum Traffic Secrets." Here are some of the things you will discover: Why forums are one of the most overlooked goldmines on the internet... How to use forums to find out what your market really wants to buy... How to pick a forum "username" that will help you make more money (short-term AND long-term). How to set up an effective "signature file" - very few people know how to PROPERLY use signature files... Techniques to use when you want to promote a product as an affiliate or even as a merchant (when you are promoting your own product). A sneaky trick to make more money from every single forum you visit... How to increase the

profitability of your signature file by 200, 300 or even 400 - instantly! How to use forums to instantly get up to hundreds of backlinks to your sites. Links from big authority sites (like forums) can boost your search engine rankings practically overnight! How to track your traffic from each individual forum you post on... How to draw even more attention to your signature file so you drive even more traffic to your offers. How to earn a living on the internet WITHOUT posting all day on forums. We are all lazy so the last thing we want to do is spend all day posting. It's about working SMART - and NOT hard. How to really post on forums for maximum effect... How to create controversy and posts that get many views (without becoming hated :-)) How to find the biggest forums in any niche quickly and easily... A sneaky way to use other members of a forum so they do your "dirty work" for you. Don't worry - it's perfectly legal and ethical... And much much more than I can remember right now! Here's what other people just like you had to say about Forum Traffic Secrets: George, What a great resource. To the point, easy to read and easy to follow. Your suggestions are great and I intend to put them into action immediately. I recommend everyone grabs a copy of this guide, reads it immediately and puts what they learn into action. Charly Leetham arvoreentreasures.com/affiliates Hello George, I read your report and you had so many wonderful strategies to get back links. I have read many different reports and ebooks on how to write a signature file as well as using forums to advertise but to date your report has explained in detailed where others have failed to be as thorough as your report has been. All I can say is WOW, you have explained all options in detail. There is no way anyway anyone can fail using your strategies! I want to thank you for letting me be one of the people who got to read it first! I wish you much success with this report. It is a gold mine filled with some great information! FBM marketing eBooks with Resell Rights Quality eBooks with Master Resale Rights and Plug-in Sales Websites! "George you have put together all the details you need to add this great stream of no financial cost free traffic quickly and easily to anyone's internet marketing campaign. I like your idea about using other members - very clever.....! Also found some great forums through your resource directories. Thanks George" John Hillage Hi George, I have been an internet marketer for over 3 years most of my money has been generated from Google Adwords but unfortunately after the Google Slap the cost of doing business on Adwords has become too expensive. I have been looking for a way to stop using Google altogether. Your Report on Forum Traffic Secrets has allowed me to do just that, I turned off my Google Adwords account altogether and am now focusing my attention to Forum postings, this information has already saved me \$1399.96 (the amount I spent last

month on Adwords) . George Thanks for such an informative straight to the point report. This product can help anybody become successful without reinvesting all their products back into Google Adwords!

Sincerely, Mario Kotik thesuccesscreator.com Forum Traffic Secrets is a fantastic report. It is filled with meaty "how to get traffic" tips. Fortunately, it's fluff and fat free. The ideas about increasing productivity (like the stopwatch tip) will save me a lot of time.. And the sample signature files are great (I've already borrowed the format). Anyone interested in creating free traffic would be smart to get this report. Mark Flournoy, ThinkRichSoftware.com Your info products are always insightful and useful. I personally thought that Forum Traffic Secrets has lots of useful tips -especially the part about what NOT to do. I always appreciate your no-nonsense writing style, particularly today when so many "info products" are have little or no real value. Thanks for the good work, Neil Vermillion Hi George, Your tip on page 3 is so simple yet so true, wish I'd thought about this sooner! What you suggest on page 4 could also be used to increase the responsiveness of my article marketing, great value there. On another page you highlighted the one factor that has been eating in to my time and effectiveness, thank you. You have shown me a powerful way to market at no cost! On the last page you gave an excellent tip that I would never have dreamed of! Thanks, Bobby I thought I knew a bit about that subject from reading reports from other IM gurus?? But after reading your sneaky little report I realize that I now know a whole lot more now. Using forums like you describe and signature files is a cunning means to an end. Also the different styles used on signature files can be attention grabbing as well. I also was interested to know about your Forum List you provide. Very interesting George and as usual no fluff straight to the point, I like that. Well done again

George Warm Regards, William Condon GoldLabelSoftware.com Thanks for the report. It is good to get honest info, that helps me do a better job of running my company. There is so much crap out there, that isn't worth the paper it is printed on. It is great to get stuff, that you can really use. Keep up the great work. Gary Moore Gary Moore Company New Wholesale Name Brand Overstocks tinyurl.com/4Y8Y5 To higher profits, George Katsoudas and FBM PS. This report is concise, to the point and practical. Please don't order if you are looking for a a fat book, hundreds of pages long, full of fluff. Just ONE tip in this report will pay for the outlay MANY times over - and in less than 24 hours! PPS. To be serious, this is one of the best information products you will ever have a chance to buy. And you now have a chance to buy it at a price so low, it is probably the best value you could ever get for your money. I hope you take advantage of it and I hope you do so immediately...
