Internet Marketing Expert Article Pack with Private Label Rights What does "Private Label Rights" articles mean? Private label rights give you total rights to each of the articles. Private label rights give you the right to change the product in any way you like and claim it as your own. You can modify the articles however you want. You can include links to your products or affiliate products, change or add any graphics you wish, edit or use the existing content as is and even put your name on the product as the writer. Every article is written by a professional English writer, guaranteed to be a minimum of 350-400 words and completely unique.
